Students Feedback Analysis Report for the Academic Year 2021-22

Students Feedback on Curriculum

Objective of the Feedback:

The institution aims to offer the best lively atmosphere and learning skills to inspire students to perform their full potential for academic accomplishment. Stakeholders i.e., students, teachers, and employers play a significant role in the assessment, growth, and improvement of the quality of this learning process. Hence the institution collects feedback from all the stakeholders i.e., students, teachers, alumni, and employers every academic year on the curriculum/syllabus to assess its service strategies can be reviewed and make variations as per stakeholders' necessities.

Students Feedback:

The student's feedback on the curriculum is designed to get feedback from students which can be used for the improvement of the quality of course design and delivery, as well as students' knowledge of learning.

In the present academic year 2021-22, the institution collected feedback from around 401 students in all branches of engineering and MBA Courses. The data is analyzed and their suggestions are considered for probable implementation of curriculum delivery.

Analysis:

The student's feedback on curriculum was taken from the students at end of the each semester/academic year.

Students Feedback on Academic Performance and Institution Ambience

Stakeholders Feedback Analysis Report for the Academic Year-2020-21

Students Feedback on Curriculum

Objective of the Feedback:

The institution aims to offer the best possible environment and learning experience to encourage students to perform their full potential for academic achievement. Stakeholders i.e., students, teachers, employers play a significant role in the evaluation, development and enhancement of the quality of this learning process. Hence the institution collects feedback from all the stakeholders i.e., students, teachers, alumni and employers every academic year on curriculum/syllabus to evaluate its service policies can be revised and make changes as per stakeholders' requirements.

Students Feedback:

The students' feedback on curriculum is designed to get feedback from students which can be used for the improvement in the quality of course design and delivery, as well as students' experience in learning.

In the current academic year 2020-21, the institution collected the feedback from around 316 students of all branches of engineering and MBA Courses. The data is analyzed and their suggestions are consider for possible implementation of curriculum delivery.

Analysis:

The students' feedback on curriculum was taken from the students at end of the each semester/academic year.

- 219 respondents said that they aligned the assessment to achieve learning objectives and included the manner in which assignments need to be submitted deadlines to achieve final mark and only 8.86% of students said good. It is shown that 69.30% of respondents opined Excellent.

8. Promptness in evaluating the answer scripts:

- Out of 316 students 198 respondents said that the evaluation of answer scripts grading fairly and consistently, only 2.22% of students gave below average. It is shown that 62.22% of respondents opined excellent.

9. Opportunity for students to participate in internship, student exchange and field visit:

- Only 4% of students responded as below average and 84.49% of respondents opined excellent

10. Opportunities in the college for research activities

- 95.56% of the respondents are said that the opportunity for them to participate in internship, student exchange and field visit are excellent. That shows institute's curriculum adaptation process is helping the student overall development through gaining practical knowledge from field visits and internships.

The overall evaluation of the students on curriculum states that above 90% of the respondents are opined excellent

Students Feedback Analysis Report for the Academic Year-2019-20

Students Feedback on Curriculum

Objective of the Feedback:

The institution aims to offer the best likely atmosphere and learning skills to inspire students to perform their full potential for academic accomplishment. Stakeholders i.e., students, teachers, and employers play a significant role in the assessment, growth, and improvement of the quality of this learning process. Hence the institution collects feedback from all the stakeholders i.e., students, teachers, alumni, and employers every academic year on the curriculum/syllabus to assess its service strategies can be reviewed and make variations as per stakeholders' necessities.

Students Feedback:

The student's feedback on the curriculum is designed to get feedback from students which can be used for the improvement of the quality of course design and delivery, as well as students' knowledge of learning.

In the present academic year 2019-20, the institution collected feedback from around 295 students in all branches of engineering and MBA Courses. The data is analyzed and their suggestions are considered for probable implementation of curriculum delivery.

Analysis:

The student's feedback on curriculum was taken from the students at end of each semester/academic year.

ACTION TAKEN REPORT ON CURRICULUM FEEDBACK

ACADEMIC YEAR-2021-22

The Feedback was collected from the institution's stakeholders

1. Students 2. Teachers 3. Alumni 4. Employers

For the smooth running and betterment of the institution, feedback is collected. It helps in providing better facilities in the teaching-learning process and administration. Feedback taken from the stakeholders has certainly helped the institution improve in the areas wherever needed.

S.No	SUGGESTIONS MADE	ACTION TAKEN
STUDENTS		
1	To improve the quality of food and cleanliness in the canteen	This problem was taken to the notice of management by the Principal. The canteen people were asked to maintain hygienic environment. This was monitored after four days to check the improvements the canteen people made. The quality of the food and cleanliness were found satisfactory by the canteen committee. Students' feedback will be taken after two weeks and based on the feedback given, decision will be taken.
2	Importance of sports, cocurricular and extra curricular activities	Though students were engaged in their academics with classwork, workshops, internships, online courses etc. sports and cultural activities were conducted to provide physical fitness and refreshment after class hours. Apart from this, sports hour has been included in the regular curriculum
TEACHERS		
1	The freedom to modify, suggest and incorporate new topics in the curriculum	As an affiliated college we are not empowered to modify the syllabus but new add on topics and new techniques were taught. We conducted workshops, FDPs for the content which are beyond the curriculum based on the gap analysis identified.
ALUMNI		
1	Equipment up gradation in Laboratories	Periodic up-gradation according to curriculum requirements is done.
2	Improvement of interpersonal skills during the study period	Workshops on soft skills development were conducted. Online courses for the development of interpersonal skills also were given priority. Training in the above said skills was given as a part of the curriculum in the subject "Employability Skills"

EMPLOYERS		
1	Improvement of technical knowledge and skills of students	Resource persons from industries were invited to train students technically which helped them gain practical knowledge.
2	The curriculum needs to be upgraded on par with the recent developments in the fields	Though we follow the curriculum prescribed by the university as we are affiliated to JNTU K, a request was sent to the university to revise the syllabus on par with the recent developments.

CONCLUSION:

Thus the feedback given by the stakeholders was analyzed and suitable action was taken to reach the expectations of the students and employers. This further helped us improve our curriculum as per the expectations of all our stakeholders.

ACTION TAKEN REPORT ON CURRICULUM FEEDBACK ACADEMIC YEAR-2020-21

The Feedback was collected from the institution stakeholders

1. Students 2. Teachers 3. Alumni 4. Employers

For the smooth running and betterment of the institution feedback is collected. It is a retrospection which helps in providing better facilities in teaching learning process and administration. Feedback taken from the stakeholders has certainly helped the institution to pay attention to the areas where was a need to improve.

S.NO	SUGGESTIONS MADE	ACTION TAKEN
STUDENTS		
1	Need more Industrial Visits	Individual department has planned industrial visits for students as per their curriculum requirements.
2	Learning Environment	Interactive teaching methodology and e-sources learning methods were followed
3	Need more focus on real time project	Institution has made mandatory to III B. Tech of all branches and II MBA students to participate in internships during semester breaks. For this had made MoU's with industries.
TEACHERS		
1	Research & Publications	Faculty members are encouraged to publish papers in reputed Journals and asked to Author textbooks. Further instructed to pursue Ph.D., and Post Doctoral Fellowships.
2	Personal and Professional Development	Institute organized sessions on stress management, competency building for overall development of teachers.
3	To encourage teachers for exposure in new trends	Encouraged faculty members to Participate FDPs and webinars nationally and internationally.
ALUMNI		
1	Assignments should be practical oriented instead of theoretical	Asked HoDs of all the courses to give assignments on practical oriented titles.
2	Library facilities need to be improved	Library has provided with more number of volumes, titles and reference books. ECAP and DELNET are provided to access research papers and digital library.
3	Equipment up gradation in Laboratories	Periodic up gradation according to curriculum requirements.
EMPLOYERS		
1	Students need to be aware of industry exposure	Invited resource persons from industries were made to address the students and introduced the corporate culture to them.
