**REPORT ON CELEBRATION OF CONSTITUTION DAY  
(26-11-2019)**

The NSS cell of PSCMR celebrated Constitution day on 26th November 2019. India's Constitution was adopted on November 26, 1949, and came into force on January 26, 1950, marking the beginning of a new era in the history of India. The Government in 2015 decided to observe 26th November as 'Constitution Day' or 'Samvidhan Divas'. In this regard, a communication has been received from Ministry of Human Resource Development to celebrate 'Indian Constitution Day' on 26th November, 2019.

The program on Constitution Day was attended by faculty members, officers, staff, students and others in large numbers and actively participated in the event. They have also browsed through the display of thoughts and display of publications on the life and writings of Dr. B. R. Ambedkar. Few students came voluntarily and spoke about Indian Constitution. All the students of B.Tech, Diploma and M.B.A and the staff members reaffirmed their commitment to the Indian Constitution by taking the pledge.

**REPORT FOR RALLY ON STOP VIOLENCE AGAINST WOMEN**  
**(02-12-2019)**

A rally on Stop violence against women was conducted by the students of PSCMR on 2<sup>nd</sup> December 2019 with the help of NSS Cell. Violence against women and girls is a hidden global crisis which knows no boundaries of geography or culture. But, marginalized women, such as poor women and girls, are most likely to experience it, most often at the hands of their husbands or partners. Violence against women is a major public health problem and a violation of women's human rights. Violence can negatively affect women's physical, mental, sexual, and reproductive health. Men are more likely to perpetrate violence if they have low education, a history of child maltreatment, exposure to domestic violence against their mothers, harmful use of alcohol, unequal gender norms including attitudes accepting of violence, and a sense of entitlement over women. Keeping these facts in mind, the NSS Cell of PSCMR conducted a rally to spread awareness among the public about the violence against women in the society. The students of all B.Tech, Diploma and M.B.A very actively participated in the rally by showcasing the banners outside the college premises. 49<sup>th</sup> ward corporator Mrs Gadi Lakshmi garu participated in the rally along with the students. In the press meet Lakshmi garu explained about the recent incidences that happened against women and the actions that need to be taken by the government against.

**REPORT ON AMARAVATI BALOTSAVAM 2019**

Amaravati Balotsavam 2019, a State-level inter-school cultural and literary festival was inaugurated by Endowment Minister Vellampalli Srinivas Rao at Potti Sriramulu Chalavadi Mallikharjuna Rao College of Engineering & Technology on 6<sup>th</sup> December 2019. The main objective of the festival is to promote children's talent in a wide array of cultural and literary events thereby preserving India's glorious cultural and literary heritage. Balotsavam is one of the platforms where students can overcome their problems of stage-fear and gain confidence to face the world when they grow up. It was started as a town-level event in 1991. Since then the event has gained popularity among the school children, and is now a national level event with thousands of participants from several states of India. More than 7,000 children from across the State participated in competitions held as part of the event.

Various competitions such as news writing, elocution in Telugu and English, quiz, folk dance and short films making were conducted at the Amaravati Balotsavam 2019. Balotsavam is a good opportunity to showcase student talents. Drawing, cartoon making, essay writing, story telling, story writing, poem writing, patriotic song singing, short play and fancy dress were some of the competitions held. NSS cell student members of PSCMR college has volunteered for the 3 day event.

At the end of the 3<sup>rd</sup> day of the event, the winners were announced and prizes were distributed.

A special felicitation is done to Mr & Mrs Chalavadi Mallikharjuna Rao garu

**AN AWARENESS ON USAGE OF AROGYA SETU APP DURING COVID 19**

The Arogya Setu App, essentially a contact-tracing app developed and promoted by the Government of India to minimize the spread of COVID-19 is being used in India to identify if someone has symptoms of COVID-19, their location, and contact tracing. The app has been promoted by the Prime Minister, Mr Narendra Modi, and was a prerequisite for all passengers travelling in special trains, or domestic flights that were resumed recently to ferry migrants back to their hometowns. The use of Arogya Setu app by all citizens of the country has been recommended, in order to ensure better contact tracing, which can significantly reduce the spread of the corona virus. Contact tracing is important for any contagious viral spread, especially COVID-19. Given the large scale of the corona virus infection and its spread, contact tracing becomes extremely important in order to identify who requires testing, quarantine, and immediate medical help. As Government requests social media platforms to promote Aarogya Setu app NSS Unit of PSCMR CET has taken an initiation to create awareness among the citizens of country to install this app in their mobiles through a questionnaire and 10372 people were participated in to this event.
