Duration of Training : 18-09-2021 to 23-09-2021

Resource Person : Mounika Reddy,
Verbal Trainer,
Impetus Brainery
Contact Number:89780 31320

The department of Training & Placement organized “**Verbal for the CRT**” for all the III years by Mounika Reddy, a verbal trainer. By the end of the program, the students should be able to:

- Develop effective communication skills (spoken and written).
- Develop effective presentation skills.
- Become self-confident individuals by mastering inter-personal skills, team management skills, and leadership skills.
- Develop all-round personalities with a mature outlook to function effectively in different circumstances.
- Develop broad career plans, evaluate the employment market, identify the organizations to get good placement, match the job requirements and skill sets.
- Take part effectively in various selection procedures adopted by the recruiters.

Students from B.Tech- EEE, MECH, ECE and CSE have attended the program and got benefited. Oral feedback is collected from the students and they have expressed that the training sessions are very effective and it helps them to develop all round personalities. The Management, Principal, TPO expressed their gratitude towards the trainer.

Duration of Training : 07-10-2020 to 10-10-2020
Resource Person : Mounika Reddy,
Verbal Trainer,
Impetus Brainery
Contact Number:89780 31320

The department of Training & Placement organized “**Verbal for the CRT**” for all the III years by Mounika Reddy, a verbal trainer. By the end of the program, the students should be able to:

- Develop effective communication skills (spoken and written).
- Develop effective presentation skills.
- Become self-confident individuals by mastering inter-personal skills, team management skills, and leadership skills.
- Develop all-round personalities with a mature outlook to function effectively in different circumstances.
- Develop broad career plans, evaluate the employment market, identify the organizations to get good placement, match the job requirements and skill sets.
- Take part effectively in various selection procedures adopted by the recruiters.

Students from B.Tech- Civil, EEE, MECH, ECE and CSE have attended the program and got benefited. Oral feedback is collected from the students and they have expressed that the training sessions are very effective and it helps them to develop all round personalities. The Management, Principal, TPO expressed their gratitude towards the trainer.

REPORT

Name of the Program : **Verbal for the CRT**

Duration of Training : 21-01-2019 to 25-01-2019

Resource Person : T Santhi Sree,
Assistant Professor, Department of S&H,
PSCMRCET
Email: santhisree.trk@gmail.com
Contact Number: 99859 86305

The department of Training & Placement organized “**Verbal for the CRT**” for all the III years by T Santhi Sree, a verbal trainer. By the end of the program, the students should be able to:

- Develop effective communication skills (spoken and written).
- Develop effective presentation skills.
- Become self-confident individuals by mastering inter-personal skills, team management skills, and leadership skills.
- Develop all-round personalities with a mature outlook to function effectively in different circumstances.
- Develop broad career plans, evaluate the employment market, identify the organizations to get good placement, match the job requirements and skill sets.
- Take part effectively in various selection procedures adopted by the recruiters.

Students from B.Tech- Civil, EEE, MECH, ECE and CSE have attended the program and got benefited. Oral feedback is collected from the students and they have expressed that the training sessions are very effective and it helps them to develop all round personalities. The Management, Principal, TPO expressed their gratitude towards the trainer.

Apart from enlightening the academic skills of the students the college has active participation of various club activities. These club activities are conducted with the motto, TEAM-Together Everyone Achieves More. Also these activities create awareness and identify the inner talents of the students and make them successful.

Club activities: Several clubs have been formed to develop the student's language, technical and non-technical skills and are functioning actively

Opportunities with Foreign Languages:

Program on -Germany language & opportunities have been conducted to educate the students about the importance of learning different languages. These languages help them to acquire opportunities available in various countries. The resource person P. Venkat from Eazy Foreign Language Institution, Vijayawada clearly explained significance of foreign languages and opportunities linked with them.

An Interactive session on Career Development by Oommen Cherian, Vice-President, Cloud Service, Oracle corporation

Mr. Oommen Cherian, Vice-President, Cloud Service, America’s Customer Management and Global Function exhorted the students that goals could be achieved through systematic hard work. Mr. Vatsan Santhanam, Senior Director, Oracle Managed Cloud Services, said that the Oracle was providing the required services to various organisations across the globe. He elaborated on important tips to students on shaping their career. Analytical skills, communication skills, the attitude of service etc would certainly place students at the zenith of their success. Continuous internal training was being given to employees to update their skills. He also added over five lakh students were being trained by their organisation across India at present.

Mr.Oommen Cherian, Vice-President, Cloud Service, Oracle corporation facilitated by our beloved President Mr. Chalavadi Mallikarjuna Rao for addressing our students

Interactive session on “ Opportunities in VLSI Industry”

Dr K Lakshmi Narayana, HOD, ECE addressed students on opportunities available in VLSI Industry and how to pursue a successful career in VLSI, design integrated circuits is used by almost every domain in the industry. These companies design chips and manufacture them in large quantities. In simple words, VLSI circuits are everywhere from your computer to your car, your brand new state-of-the-art digital camera, cell phones, and whatever electronics item you have. The designs are mostly used for small transistor - count precision circuits such as amplifiers, data converters, filters, phase-locked loops and sensors.

Dr K Lakshmi Narayana, HOD, ECE addressing students on oppurtunities in VLSI Industry

Interactive Session by Daggubati Purandereswari garu on Woman Empowerment

Now a day's women empowerment has become a significant topic of discussion in development and economics. Our college invited Mrs.Daggubati Purandereswari garu to interact with our girl students and lady faculty and motivate them. She delivered a motivated talk on women empowerment, which held on 27-01-2018 and inspired the girls and ladies of the college. The women empowerment cell of the college felicitated her and thanked her.

Mrs Daggubati Purandereswari addressing Girls students on “Woman Empowerment”

3. Soft skill development

Our Institution predominantly gives importance to enhancement of soft skills on students and takes vital steps towards nurturing students in their soft skills so that students face the competitive world with whole lot of positive esteem and self confidence by inviting Eminent personalities visit our Institution and deliver their valuable sessions for the improvement of overall skills of the students. Apart from these valuable sessions, Institute has In-house faculty who continuously in touch with students for enhancement of their skills. Our faculty takes Communication Skills Classes on regular basis along with Curriculum. In time table weekly 2 to 4 classes allotted for Communication Skills classes.

LIFE SKILLS session by Mr.GARIKAPATI NARASIMHA RAO

JOY OF ENGINEERING AND LIFE SKILLS by Prof.Murali Krishna, Principal,
JNTU,Narsaraopet

4. Remedial coaching

Our faculty members show utmost concern towards the students. We have strong student mentoring mechanism. Each student is continuously monitored by respective mentor through weekly counselling hours. If the student feels difficulty in any of the subjects, mentor communicates with the faculty member handling respective subject and arrange Remedial Classes. When student fails in any subject mentor communicates with the faculty who handled the subject and arrange the schedule for Remedial Classes in the semester break or afternoon hours, without disturbing regular class work for the benefit of students to clear their backlogs.

Mr V Mathew, Asst.Prof., EEE Dept., handling Remedial Class for “Power System Analysis”

5. Language lab

In this present day scenario, a technical student without English competence is like a fish out of water, losing his/her significance. The student of Engineering and Technology needs a specific set of language skills for success in education and career. With a view to developing students' competence in LSRW Skills in English, the English Proficiency lab was set up. This lab was designed to provide the students with a strong platform for practical training in the language. Here students are exposed to functional language in use and are familiarized with the many pronunciation styles that are vital in everyday usage of the English language in today's world. In the Lab the students are trained by efficient teachers with the help of soft wares like Rosetta stone, Learn to Speak English, Pronunciation Power etc., along with the CDs prescribed by JNTU Kakinada. The lab is provided with 65 computers, a projector, audio system and 24x7 internet facility to facilitate the enhancement of communicative abilities. The JNTUK English Curriculum develops the students' ability to communicate and also fosters a high liberal arts background. Such a background gives students not only marketable communication skills but also an understanding of the history and development of civilization.

Students using the resources available in State of Art Language Lab

6. Bridge courses

Bridge courses were organized regularly (i.e after completion of second semester, before commencement of 3rd semester) for the benefit of students who are new to engineering stream of education to cope up with systematical approach to adapt to technical education

A One Week Bridge course on Application of Mathematics in Electronics Engineering for ECE Students

7. Yoga and meditation :

Our Institution provides scope for spiritual development of students and staff to relieve them from stress by inviting various eminent personalities from reputed Yoga Centres like Art of Living, Patanjali Yoga, Venkateswara Yoga Centre etc to address the students. International Yoga Day also celebrated in the campus to showcase the importance of meditation and yoga in life of every human being. Our students and faculty members organized successfully INTERNATIONAL YOGA DAY and performed various asanas in presence of yoga guru In the evening hours frequently and regularly Yoga classes held for students and staff to improve their spirituality and there by enhancing their capabilities.

8. Personal Counselling

We have strong student personal counselling system , where each student will be associated with one of the faculty member from joining the college till the completion of course for continuous mentoring and look after the concerns of students and provide them moral support for overall development of the student. For each class there will be 3 counsellors , students divided among 3 counsellors . under each counsellor good, average & weak students were monitored regularly. Good students who don't have backlogs and good in academics were encouraged to develop models related subjects or recent trends. Average and weaker students were motivated to complete their backlog subjects. Counsellors use to build the confidence in each student, so that at the end of his graduation student will be able to incubate in the job market available outside. Students use to convey their difficulties to Counsellors, so that counsellors come across solutions to the problems or difficulties raised by students. Regularly Personality Development programs with the help of eminent personalities like Mr.Yandamuri Veerendranath, Mr. Pattabhiram, Mr. G. Narasimha Rao, Prof. Murali Krishna etc held for inculcating positive self esteem and self belief in students. Parents meet regularly held per each semester to take the valuable suggestions from parents for continuous development of the Institution.
