

# POTTI SRIRAMULU CHALAVADI MALLIKARJUNA RAO COLLEGE OF ENGINEERING & TECHNOLOGY

Sponsored by SKPVV Hindu High Schools' Committee, Estd : 1906

Approved by AICTE, New Delhi, Affiliated to JNTUK Kakinada

Accredited by NAAC, NBA for B.Tech Programmes in CSE, ECE & EEE, ISO 9001:2015 Certified

## 6.3.3 Percentage of teaching and non-teaching staff participating in Faculty development Programmes (FDP), professional development /administrative training programs during the A.Y.: 2017-18.

Teaching Staff			
S.No.	Name of the participant	Title of the FDP	Dates (from-to) (DD-MM-YYYY)
1	Y. Rajendra Babu	Programming on CNC Machines	24.04.2017 to 28.04.2017
2	B. Hanumantha Rao	Programming on CNC Machines	24.04.2017 to 28.04.2017
3	P. Manoj Kumar	Programming on CNC Machines	24.04.2017 to 28.04.2017
4	N. Teja	Programming on CNC Machines	24.04.2017 to 28.04.2017
5	S. Krishna Kishore	Programming on CNC Machines	24.04.2017 to 28.04.2017
6	A. Panthanjali Sastri	Programming on CNC Machines	24.04.2017 to 28.04.2017
7	J. Murali Krishna	Programming on CNC Machines	24.04.2017 to 28.04.2017
8	V. Methewus	Programming on CNC Machines	24.04.2017 to 28.04.2017
9	Sasnkah	Programming on CNC Machines	24.04.2017 to 28.04.2017
10	Ramanaiah	Programming on CNC Machines	24.04.2017 to 28.04.2017
11	N. Saida Naik	Programming on CNC Machines	24.04.2017 to 28.04.2017
12	D. Srikanth	Programming on CNC Machines	24.04.2017 to 28.04.2017
13	K. Sudhakar	Programming on CNC Machines	24.04.2017 to 28.04.2017
14	K. Sundar Srinivas	Programming on CNC Machines	24.04.2017 to 28.04.2017
15	Vanajakshi	Programming on CNC Machines	24.04.2017 to 28.04.2017
16	G. Ravali	Programming on CNC Machines	24.04.2017 to 28.04.2017
17	K V N Dinesh Kumar	Programming on CNC Machines	24.04.2017 to 28.04.2017
18	D. Kishore Babu	Programming on CNC Machines	24.04.2017 to 28.04.2017
19	A. Krishna Chaitanya	Programming on CNC Machines	24.04.2017 to 28.04.2017
20	N. V Malavika	Programming on CNC Machines	24.04.2017 to 28.04.2017
21	Ch. Saraswathi	Programming on CNC Machines	24.04.2017 to 28.04.2017
22	M. Nagarjuna	Programming on CNC Machines	24.04.2017 to 28.04.2017
23	K. Prakash	Programming on CNC Machines	24.04.2017 to 28.04.2017
24	V. Gowtham Priyanka	Programming on CNC Machines	24.04.2017 to 28.04.2017
25	C. Srilatha	Programming on CNC Machines	24.04.2017 to 28.04.2017
26	V. S R K Prasad	Programming on CNC Machines	24.04.2017 to 28.04.2017

Kothapet, VIJAYAWADA-520 001.

### PSCMR COLLEGE OF TECHNOLOGY

PSCMR College of Engineering & Technology is SKPVV Hindu High Schools Committee's latest contribution to the cause of education, this time in a new discipline – Engineering & Technology. This shows the Committee's eagerness to promote education in as many different areas as possible. The Committee, a non-profit academic organization that had been managing very successfully only schools and arts & science colleges till 2008, then extended its educational service activities to technology education area, and that led to the starting that year, of Potti Srimulu & Chalapudi Mallikarjuna Rao College of Engg & Technology — almost the first such institute within the Vijayawada city limits. The college is affiliated to JNTU (K) made a modest beginning with an intake of 240 students, 60 each in the branches of ECE, CSE, EEE and IT. MBA course was added the next year, that is, in 2008. Making steady progress, it has now on its rolls 1200 students in two sections of ECE and CSE each, and one section each in EEE and IT. In only its fourth year of functioning, the college has shown its potential for excellence in academics, as shown in the success rate of the students, and is making all out efforts to secure placement for its students. For a sound engineering education and assured post qualification career, PSCMRCET is among the best destination.

### DEPARTMENT OF MECHANICAL ENGINEERING

Mechanical Engineering is a core engineering discipline, the concepts of which are prerequisite for every other branch of engineering as rightly reflected by the curriculum framed by reputed universities all over the world. This is precisely the reason for many mechanical engineers to occupy responsible positions practically in every field of activity – Space, Aviation, Power, Defense and of course the elite Information technology as well. Most of the engineering based management experts hail from mechanical engineering background. There is substantial contribution by

his faculty towards green revolution in the country. Modern technological developments covering MEMS, NANO, Biomedical etc have been a part of studies in this field of engineering only.

### ABOUT THE PROGRAMME

The aim of this workshop is to motivate the teachers and enhancing professional skills in teaching field.

### PARTICIPANTS

Faculties and Research Scholars from Science & Engineering Institutions approved to AICTE.

## PROGRAMMING ON CNC MACHINES.

Making steady progress, it has now on its rolls 1200 students in two sections of ECE and CSE each, and one section each in EEE and IT. In only its fourth year of functioning, the college has shown its potential for excellence in academics, as shown in the success rate of the students, and is making all out efforts to secure placement for its students. For a sound engineering education and assured post qualification career, PSCMR CET is among the best destination.

### **DEPARTMENT OF MECHANICAL ENGINEERING**

Mechanical Engineering is a core engineering discipline, the concepts of which are prerequisite for every other branch of engineering as rightly reflected by the curriculum framed by reputed universities all over the world. This is precisely the reason for many mechanical engineers to occupy responsible positions practically in every field of activity – Space, Aviation, Power, Defense and of course the elite Information technology as well. Most of the engineering based management experts hail from mechanical engineering background. There is substantial contribution by

his faculty towards green revolution in the country. Modern technological developments covering MEMS, NANO, Biomedical etc have been a part of studies in this field of engineering only.

### **ABOUT THE PROGRAMME**

The aim of this workshop is to link professionals from higher-level education institutions with experts from NITTR, to enhance Teaching Learning Process.

### **TOPICS**

- Challenges of Teaching-Principles of learning
- Bloom's Revised approach
- Curriculum design and development- Classroom communication
- Student assessment
- Introspection to Teaching and through simulated teaching
- Course outcomes

### **PARTICIPANTS**

Faculties and Research Scholars from Science & Engineering Institutions approved to AICTE.

### **REGISTRATION FEES**

The participants shall pay the non-refundable Registration Fee of Rs 200/-.

## **HARDWARE TRAINING.**

7-8 SEPTEMBER 2017

## PSCMR COLLEGE OF TECHNOLOGY

PSCMR College of Engineering & Technology is SKPVV Hindu High Schools Committee's latest contribution to the cause of education, this time in a new discipline — Engineering & Technology. This shows the Committee's eagerness to promote education in as many different areas as possible. The Committee, a non-profit academic organization that had been managing very successfully only schools and arts & science colleges till 2008, then extended its educational service activities to technology education area, and that led to the starting that year, of Potti Sriramulu & Chalapathi Mallikarjuna Rao College of Engg & Technology — almost the first such institute within the Vijayawada city limits. The college is affiliated to JNTU (K) made a modest beginning with an intake of 240 students, 60 each in the branches of ECE, CSE, EEE and IT. MBA course was added the next year, that is, in 2008. Making steady progress, it has now on its rolls 1200 students in two sections of ECE and CSE each, and one section each in EEE and IT. In only its fourth year of functioning, the college has shown its potential for excellence in academics, as shown in the success rate of the students, and is making all out efforts to secure placement for its students. For a sound engineering education and assured post qualification career, PSCMR CET is among the best destination.

## DEPARTMENT OF MECHANICAL ENGINEERING

Mechanical Engineering is a core engineering discipline, the concepts of which are prerequisite for every other branch of engineering as rightly reflected by the curriculum framed by reputed universities all over the world. This is precisely the reason for many mechanical engineers to occupy responsible positions practically in every field of activity — Space, Aviation, Power, Defense and of course the elite Information technology as well. Most of the engineering based management experts hail from mechanical engineering background. There is substantial contribution by

his faculty towards green revolution in the country. Modern technological developments covering MEMS, NANO, Biomedical etc have been a part of studies in this field of engineering only.

## ABOUT THE PROGRAMME

The aim of this workshop is to link professionals from higher-level education institutions with experts from NITTR, to enhance Teaching Learning Process.

## TOPICS

- Challenges of Teaching-Principles of learning
- Bloom's Revised approach
- Curriculum design and development- Classroom communication
- Student assessment
- Introspection to Teaching and through simulated teaching.
- Course outcomes.

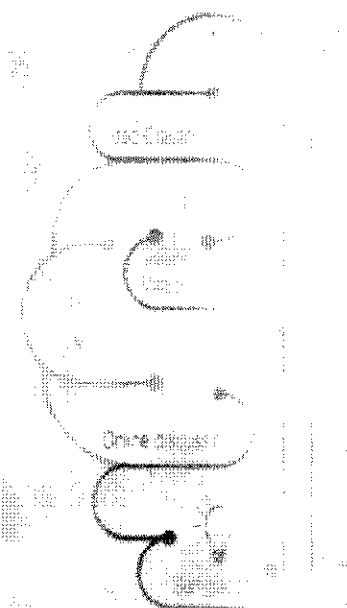

## PARTICIPANTS

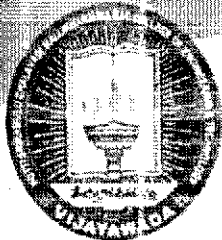

Faculties and Research Scholars from Science & Engineering Institutions approved to AICTE

## REGISTRATION FEES

The participants shall pay the non-refundable Registration Fee of Rs 200/-

*A Five Day  
Faculty Development  
Programme on  
Instructional Process and  
Teaching Methods*

**POTTI SRIRAMULU CHALAVADI MALLIKARJUNA RAO**

**COLLEGE OF ENGINEERING & TECHNOLOGY, VIJAYAWADA 520 001**

**ONE TOWN, VIJAYAWADA - 520001**

### About PSCMR CET:

PSCMR College of Engineering & Technology is SKPVV Hindu High Schools Committee's contemporary contribution to the cause of education with a new discipline in the sphere of Engineering & Technology. This clearly depicts the Committee's keenness to promote education in varied feasible areas. The Committee, a non-profitable academic organization, had been managing schools and arts and science colleges very successfully till 2008.

And thereafter, the Committee expanded its educational services to technical education which led to the establishment of PSCMR College of Engg & Technology during the same year. This is, by and large, the first such institute in the city limits of Vijayawada. The college, affiliated to JNTU Kakinada, made a humble beginning with an intake of 240 students, 60 each in the branches of ECE, CSE, EEE and IT.

MBA course was added in the following year, making a steady progress. In 2013, Civil and Mechanical Engineering branches were added to the existing branches. In 2014, Polytechnic Course was initiated with Civil and Mechanical Branches. Currently, the college is moving forward very successfully with around 2600 students and fully qualified faculty as per AICTE norms with good ratio.

In only its fourth year of functioning, the college with huge success rate of students was able to provide quality placements for the qualified graduates. Students are encouraged with paid internships from 2nd year onwards. Incubation centers like Eurth Techtronic's, HBOTS, E-Yantra, Future NDT, TCS Language Lab, IIT Bombay Remote Centre for learning etc, are also available in the college which provide industrial exposure to students.

### About Department

Mechanical Engineering is a core engineering discipline, the concepts of which are prerequisite for every other branch of engineering as rightly reflected by the curriculum framed by reputed universities all over the world. This is precisely the reason for many mechanical engineers to occupy responsible positions practically in every field of activity - Space, Aviation, Power, Defense and of-course the elite Information technology as well. Most of the engineering based management experts hail from mechanical engineering background. There is substantial contribution by this faculty towards green revolution in the country. Modern technological developments covering MEMS, NANO, Biomedical etc., have been a part of studies in this field of engineering only.

- The Department of Mechanical Engineering was established in the year 2013.
- Offering B.Tech program with an intake of 60, increased to 120 in the year 2014.

### Salient Features:

- Well Equipped Hardware Laboratories with Latest Equipment and Computer Labs with Latest Technologies.
- Internships with local industries like NTPS, WAGON WORK SHOP, DIESEL LOCOMOTIVE SHED ETC.,
- Association with International Professional Bodies: ISTE & IEI
- Soft Skills & CRT (Campus Recruitment Training) Programs from IInd Year B.Tech Onwards.
- Training Students & Faculty on Latest Technologies by Workshops & Seminars from Industry People and IIT Faculty.
- Industrial Visits to students to introduce forthcoming Technologies.

## About ECAP (College Automation)

Welcome to the presentation of Engineering College Automation Package, designed and developed by Webpros Solutions Pvt Ltd, Visakhapatnam. The software hereinafter referred as ECAP, fulfills all the requirements of Engineering Colleges including integrated campuses offering Undergraduate and Post Graduate Courses. ECAP aims at immediate availability of data in required formats, ease the work of staff and management and increase in transparency and accountability in administration.

## ECAP Contents

- Internet or Intranet enabled Application.
- User Levels with Access Rights for Data Security.
- Course/Batch/Category/Student Fee Dues Reports.
- Tracks Performance of Scholarship Students.
- Fee/Attendance Reminders and Progress Reports.
- Attendance & Marks Analysis.
- Integration with Attendance Capturing Devices.
- Accounts Module similar to Tally.
- Payroll Integrated Staff Module.
- Barcode Integrated Library Module.
- Login for Students/Parents to access data online.

## Eligibility:

The program is open for

- All Non Teaching Faculty

PG students of allied Discipline.

## Registration Process:

- No Registration Fee
- Limited registrations based on first come first serve
- Certificates will be provided
- Conformation list will be sent through your registered mail ID's

## Chief Patron:

**Sri. Ch. Mallikarjuna Rao**

**President - PSCMR CET**
