Ref. No. NSAKCET/PRL/RED/2021/001

Date 04/08/2021

MEMORANDUM OF UNDERSTANDING

This memorandum of understanding (MoU) is executed on 04 August 2021

By and Between

Nawab Shah Alam Khan College of Engineering & Technology, New Malakpet, near Railway station, Telangana, Pin: 500024, represented by its principal Dr. SYED ABDUL SATTAR (Hereinafter refer to as "NSAKCET", (Hereinafter refer to as "NSAKCET", which expression shall, unless repugnant to the context or meaning thereof, mean & include its successors & assigns) being the party of first part

And

Potti Sriramulu Chalavadi Mallikarjunarao College Of Engineering & Technology Having Its Registered Office At 7-3-6/1 Raghvareddy Street Kothapeta, Vijayawada Andhra Pradesh 520001, represented by its principal DR. K. SRI RAMA KRISHNA (Hereinafter refer to as "PSCMR CET", which expression shall, unless repugnant to the context or meaning thereof, mean & include its successors & assigns) being the party of second part "NSAKCET" & "PSCMR CET", are Hereinafter, wherever the context so requires, individually referred to as "party" and collectively as "parties".

Whereas:

- A. NSAKCET is engaged in service of engineering & technical education with the college name referred as Nawab Shah Alam Khan College of Engineering & Technology, New Malakpet, near Railway station, Telangana, Pin: 500024.
- B. PSCMR CET is engaged in service of engineering & technical education with college name referred as Potti Sriramulu Chalavadi Mallikarjunarao College Of Engineering & Technology in the city of Vijayawada.

Page 1 of 5

Objectives of MoU:

- A. To promote & enhance academic interest between NSAKCET and PSCMRCET.
- B. To provide advice for implementation of quality of education between NSAKCET and PSCMRCET.
- C. To promote research/continuing education activities between parties.

Technical areas of collaboration:

- A. A continuing quality improvement programme to improve quality of teaching staff in both parties.
- B. Providing academic interaction by delivering special lectures at both institutes on topics of relevance to modern industry.
- C. Provide necessary helps in organizing workshops, conferences and personality development programmes at both parties for enhancement of skills in respect of faculty, staff and students.
- D. Provides necessary support for establishment of video satellite link and assistance in development of E-classrooms, Lab, Curriculum, Establishment of research labs, training and placement, library etc. at both parties.
- E. To provide training programmes for Students & Staff.

Proposed modes of collaboration:

NSAKCET & PSCMRCET proposed to collaborate through the following:

- A. Cooperation and promotion of education and training in areas of mutual interest.
- B. Any other appropriate mode of interest agreed upon between NSAKCET & PSCMRCET

A specific plan will be worked out by the parties depending upon availability of resources. A specific agreement will be entered in to for each activity.

Terms & conditions:

- A. The cost of development of infrastructure at both parties should be borne by themselves.

- B. For continuing education to teachers and students the financial arrangements will be made mutually agreed terms.
- C. For the visits related to advice & consultancy, travel and other expenses of faculty & staff shall be reimbursed by both the parties on mutually agreed terms.
- D. The faculty and students of both parties can use library facilities for a short time.
- E. Both parties agreed to help identify and invite the faculty members & researchers from the other institutes to participate in conferences, workshops and short-term courses.
- F. This MoU may be amended, removed and terminated by mutual written agreement of the parties at any time.
- G. Either party should have the right to terminate this MoU upon 60days prior written notice to the other Party.

Confidentiality:

- A. The NSAKCET and the PSCMRCET agreed to hold in confidence all information/data designated by the parties as being confidential which is obtained from either party or created during the performance of MOU and will not disclose the same to any third party without written consent of the other party.
- B. The above confidential clause under this MOU excludes the information/data processed by either party before entering into this MOU or independently developed and/or information already available through public domain.

Duration of MOU:

This MOU unless extended by mutual written consent of the parties, shall expires in Three years after the effective date specified in the opening paragraph. However, in review the MOU shall be extended for another two years by mutual consent.

Force majeure:

Neither party shall be liable for any failure or delay in its performance due to circumstances beyond its reasonable control, provided that it notifies the other party as soon as practicable and uses its best efforts to resume performance.

Indemnity:

Each party shall indemnify and keep indemnified, defend and hold harmless the other party and their respective officers, directors, employees (collectively the "indemnified persons") from and against any and all direct losses, claims, costs, liabilities, judgments, expenses or damages that the indemnified person may incur or suffer as a result of or arising out of breach of any representation made by it under this agreement.

Severability:

If any part or any provision of this MOU becomes illegal, invalid or unenforceable, that part or provision shall be ineffective to the extent of invalidity or unenforceability without in any way affecting the validity or enforceability of the remaining parts of said provision of this MOU. The parties hereby agree to attempt to substitute any invalid or unenforceable provision with a valid or enforceable provision, which achieves to the greatest extent possible the economic, legal and commercial objectives of the invalid or unenforceable provision.

Assignment:

The parties to the agreement shall not assign or support to assign or otherwise deal with any of its rights and obligations hereunder without the prior written consent of the other party.

Waiver:

Failure of party to exercise promptly any option or right granted, or to require strict performance of any obligation herein imposed shall not be deemed to be a waiver of such rights or of the right to demand subsequent performance of any and all obligations herein imposed.

Amendments:

All changes and amendments to this agreement or to any attachment there to be valid only if made in writing and signed by duly authorized representatives of both the parties.

Dispute resolution:

In the event of any disputes, differences or controversies arises between the parties, hereto, out of, or in relation to or in connection with provisions of this MOU or any action taken hereunder, the parties hereto shall thoroughly explore all possibilities for an amicable settlement. In case the amicable settlement cannot be reached, disputes, differences or controversies shall be referred to sole arbitrator appointment with the mutual consent of both the parties in accordance with the provisions of the arbitration and conciliation Act-1996, and the venue of such arbitration shall be Vijayawada and the proceedings shall be conducted in English, the award of the arbitrator/arbitrators tribunal shall be final and binding on both the parties hereto.

Jurisdiction:

This agreement shall be governed and construed by and in accordance with the laws of India and subject to the exclusive jurisdiction of the courts of Vijayawada and Guntur.

Ph. No. +91 2334 4175, 2334 8242, 2334 3170.

E-mail: audegreecollege@gmail.com Website: www.anwarululoom.in

Objectives of MoU:

- A. To promote & enhance academic interest between AUC and PSCMRCET.
- B. To provide advice for implementation of quality of education between AUC and PSCMRCET.
- C. To promote research/continuing education activities between parties.

Technical areas of collaboration:

- A. A continuing quality improvement programme to improve quality of teaching staff in both parties.
- B. Providing academic interaction by delivering special lectures at both institutes on topics of relevance to modern industry.
- C. Provide necessary helps in organizing workshops, conferences and personality development programmes at both parties for enhancement of skills in respect of faculty, staff and students.
- D. Provides necessary support for establishment of video satellite link and assistance in development of E-classrooms, Lab, Curriculum, Establishment of research labs, training and placement, library etc. at both parties.
- E. To provide training programmes for Students & Staff.

Proposed modes of collaboration:

AUC& PSCMRCET proposed to collaborate through the following:

- A. Cooperation and promotion of education and training in areas of mutual interest.
- B. Any other appropriate mode of interest agreed upon between AUC& PSCMRCET

A specific plan will be worked out by the parties depending upon availability of resources. A specific agreement will be entered in to for each activity.

Terms & conditions:

- A. The cost of development of infrastructure at both parties should be borne by themselves.
- B. or continuing education to teachers and students the financial arrangements will be made mutually agreed terms.

- C. For the visits related to advice & consultancy, travel and other expenses of faculty & staff shall be reimbursed by both the parties on mutually agreed terms.
- D. The faculty and students of both parties can use library facilities for a short time.
- E. Both parties agreed to help identify and invite the faculty members & researchers from the other institutes to participate in conferences, workshops and short-term courses.
- F. This MoU may be amended, removed and terminated by mutual written agreement of the parties at any time.
- G. Either party should have the right to terminate this MoU upon 60days prior writtennotice to the other Party.

Confidentiality:

- A. The AUCand the PSCMRCET agreed to hold in confidence all information/data designated by the parties as being confidential which is obtained from either party or created during the performance of MOU and will not disclose the same to any third party without written consent of the other party.
- B. The above confidential clause under this MOU excludes the information/data processed by either party before entering into this MOU or independently developed and/or information already available through public domain.

Duration of MOU:

This MOU unless extended by mutual written consent of the parties, shall expires in one year after the effective date specified in the opening paragraph. However, in review the MOU shall be extended for another two years by mutual consent.

Force majeure:

Neither party shall be liable for any failure or delay in its performance due to circumstances beyond its reasonable control, provided that it notifies the other party as soon as practicable and uses its best efforts to resume performance.

Indemnity:

Each party shall indemnify and keep indemnified, defend and hold harmless the other party and their respective officers, directors, employees (collectively the "indemnified persons") from and against any and all direct losses, claims, costs, liabilities, judgments, expenses or damages that the indemnified person may incur or suffer as a result of or arising out of breach of any representation made by it under this agreement.

Severability:

If any part or any provision of this MOU becomes illegal, invalid or unenforceable, that part or provision shall be ineffective to the extent of invalidity or unenforceability without in any way affecting the validity or enforceability of the remaining parts of said provision of this MOU. The parties hereby agree to attempt to substitute any invalid or unenforceable provision with a valid or enforceable provision, which achieves to the greatest extent possible the economic, legal and commercial objectives of the invalid or unenforceable provision.

Assignment:

The parties to the agreement shall not assign or support to assign or otherwise deal with any of its rights and obligations hereunder without the prior written consent of the other party.

Waiver:

Failure of party to exercise promptly any option or right granted, or to require strict performance of any obligation herein imposed shall not be deemed to be a waiver of such rights or of the right to demand subsequent performance of any and all obligations herein imposed.

Amendments:

All changes and amendments to this agreement or to any attachment there to be valid only if made in writing and signed by duly authorized representatives of both the parties.

Dispute resolution:

In the event of any disputes, differences or controversies arises between the parties, hereto, out of, or in relation to or in connection with provisions of this MOU or any action taken hereunder, the parties hereto shall thoroughly explore all possibilities for an amicable settlement. In case the amicable settlement cannot be reached, disputes, differences or controversies shall be referred to sole arbitrator appointment with the mutual consent of both the parties in accordance with the provisions of the arbitration and conciliation Act-1996, and the venue of such arbitration shall be Vijayawada and the proceedings shall be conducted in English. the award of the arbitrator/arbitrary tribunal shall be final and binding on both the parties hereto.

Jurisdiction:

This agreement shall be governed and construed by and in accordance with the laws of India and subject to the exclusive jurisdiction of the courts of Vijayawada and Hyderabad.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is entered into an effective as of 25th June 2021 and is valid until one year of the date of signing.

By and Between

VISAKHA INSTITUTE OF ENGINEERING & TECHNOLOGY

88th Division, GVMC, Narava, Visakhapatnam - 530027, Andhra Pradesh.

And

POTTI SRIRAMULU CHALAVADI MALLIKARJUNA RAO COLLEGE OF ENGINEERING & TECHNOLOGY

SPONSORED BY SKPVV HINDU HIGH SCHOOLS COMMITTEE, Estd:1906

(Affiliated to JNTUK-Kakinada, Approved by AICTE)

An ISO 9001-2015 Certified Institution

KOTHAPETA, VIJAYAWADA-520001

VISAKHA INSTITUTE OF ENGINEERING & TECHNOLOGY, 88th division, Narava, Visakhapatnam, represented by its Principal Dr. V.SRIDHAR PATNAIK, Here in after referred as "VIET" being the first party

And

POTTI SRIRAMULU CHALAVADI MALLIKARJUNA RAO COLLEGE OF ENGINEERING & TECHNOLOGY, 7-3-6/1, raghavareddy street Kothapeta Vijayawada, Andhra Pradesh Pin: 520001, represented by its Principal Dr.K.SRI RAMAKRISHNA, here in after called as PSCMRCET referred as "2nd party" and collectively as "parties".

Whereas:

Party-1: VIET, Visakhapatnam was established in 2009 with a vision to make an indelible mark in the field of Engineering Education & Research.

Highlights of the College:

- Established in 2009
- Offers UG and PG programs

Accreditations:

- VIET, Visakhapatnam is providing quality education since 13 years one of the reputed institutes in Visakhapatnam District, AP affiliated to JNTU, Kakinada.
- College is Accredited by NAAC and permanently affiliated to JNTUK, Kakinada

Mission:

To Impart Value based Scientific Knowledge through Quality Technical Education. The promoter "VISAKHA EDUCATIONAL SOCIETY" has a vast experience of nearly two decades in running different educational institutions.

Party-2: POTTI SRIRAMULU CHALAVADI MALLIKARJUNA RAO COLLEGE OF ENGINEERING & TECHNOLOGY (PSCMRCET) located in Vijayawada in the heart of Andhra Pradesh Capital Region Suburbs, is one of the pioneering professional institute affiliated to JNTU Kakinada. Since its inception in 2008, PSCMRCET has been dedicated to impart quality education to professional students and to prepare students for innovations and leadership in a global competitive village.

PSCMR College of Engineering & Technology during the same year. This is, by and large, the first such institute in the city limits of Vijayawada. The college, affiliated to JNTU Kakinada,

made a humble beginning with an intake of 240 students, 60 each in the branches of ECE, CSE, EEE and IT.MBA course was added in the following year, making a steady progress. In 2013, Civil and Mechanical Engineering branches were added to the existing branches.

In only its fourth year of functioning, the college with huge success rate of students was able to provide quality placements for the qualified graduates. Students are encouraged with paid internships from 2nd year onwards. Incubation centers like Eurth Techtronic's, HBOTS, E-Yantra, Future NDT, TCS Language Lab, IIT Bombay Remote Centre for learning etc, are also available in the college which provide industrial exposure to students.

PSCMR boasts of its Training & Placement Cell for giving 100% placement guidance to students which helps them build a long time career in leading organizations. CRT is provided to student's right from the first year in the areas of English Communication Skills, Aptitude and Reasoning by specially recruited domain experts. With the able guidance given by all the departments, students are placed in reputed MNCs like Oracle, TCS, Infosys, Cyient, Deloitte, HCL, Accenture, Cognizant, Wipro and Glenwood Systems.

The college aims at empowering students with social and career oriented education that can benefit themselves and the society, as well.

Objectives of MoU:

1. To promote & enhance academic interest between **VIET** and **PSCMRCET**.
2. To provide advice for implementation of quality of education between **VIET** and **PSCMRCET**.
3. To promote research/continuing education activities between parties.
4. Access to Information on research / education resources and academic know how
5. Access to Centers of Excellence of the college
6. Technical support in projects related to science and management from senior faculty or experts
7. Guidance for specific issues in terms of R&D, Project design and development etc. from the senior faculty or experts
8. On boarding potential faculty who would be the mentors to support boot camps, Technology Readiness Level (TRL) activities for prototyping, guide startups on pro bono basis
9. To refer or depute faculty or Resource persons for specific programs as speakers.

Technical areas of collaboration:

- A. A continuing quality improvement programme to improve quality of teaching staff in both parties.
- B. Providing academic interaction by delivering special lectures at both institutes on topics of relevance to modern industry.
- C. Provide necessary helps in organizing workshops, conferences and personality development programmes at both parties for enhancement of skills in respect of faculty, staff and students.
- D. Provides necessary support for establishment of video satellite link and assistance in development of E-classrooms, Lab, Curriculum, Establishment of research labs, training and placement, library etc. at both parties.
- E. To provide training programmes for Students & Staff.

Terms & conditions:

- 1. The cost of development of infrastructure at both parties should be borne by themselves.
 - 2. For continuing education to teachers and students the financial arrangements will be made mutually agreed terms.
 - 3. For the visits related to advice & consultancy, travel and other expenses of faculty & staff shall be reimbursed by both the parties on mutually agreed terms.
 - 4. The faculty and students of both parties can use library facilities for a short time.
 - 5. Both parties agreed to help identify and invite the faculty members & researchers from the other institutes to participate in conferences, workshops and short-term courses.
 - 6. This MoU may be amended, removed and terminated by mutual written agreement of the parties at any time.
 - 7. Either party should have the right to terminate this MoU upon 60days prior written notice to the other Party.
- A. **Confidentiality:** The VIET and the YOUR college PSCMRCET agreed to hold in confidence all information/data designated by the parties as being confidential which is obtained from either party or created during the performance of MOU and will not disclose the same to any third party without written consent of the other party.

The above confidential clause under this MOU excludes the information/data processed by either party before entering into this MOU or independently developed and/or information already available through public domain.

B. Coordination

Each institution shall appoint one member of its teaching/research faculty to coordinate the programme on its behalf. Further, a coordination committee will periodically review and identify ways to strengthen cooperation between the two institutions.

C. Tenure and Termination

This MOU will take effect from the date it is signed by representatives of the two institutions. It will remain valid for one year, and may be continued thereafter after suitable review and agreement. Either institution may terminate the MOU by giving written notice to the other institution six months in advance. However, VIET and PSCMRCET will ensure that all activities in progress are allowed to complete successfully.

D. Arbitration Clause

Should there be a dispute relating to any aspect of academic cooperation, VIET and PSCMRCET will jointly resolve the dispute in a spirit of independence, mutual respect, and shared responsibility.

This MOU is signed subject to approval of the respective academic/administrative bodies.

Neither party shall be liable for any failure or delay in its performance due to circumstances beyond its reasonable control, provided that it notifies the other party as soon as practicable and uses its best efforts to resume performance.

Indemnity:

Each party shall indemnify and keep indemnified, defend and hold harmless the other party and their respective officers, directors, employees (collectively the "indemnified persons") from and against any and all direct losses, claims, costs, liabilities, judgments, expenses or damages that the indemnified person may incur or suffer as a result of or arising out of breach of any representation made by it under this agreement.

Severability:

If any part or any provision of this MOU becomes illegal, invalid or unenforceable, that part or provision shall be ineffective to the extent of invalidity or unenforceability without in any way affecting the validity or enforceability of the remaining parts of said provision of this MOU. The parties hereby agree to attempt to substitute any invalid or unenforceable provision with a valid or enforceable provision, which achieves to the greatest extent possible the economic, legal and commercial objectives of the invalid or unenforceable provision.

Assignment:

The parties to the agreement shall not assign or support to assign or otherwise deal with any of its rights and obligations hereunder without the prior written consent of the other party.

Waiver:

Failure of party to exercise promptly any option or right granted, or to require strict performance of any obligation herein imposed shall not be deemed to be a waiver of such rights or of the right to demand subsequent performance of any and all obligations herein imposed.

Amendments:

All changes and amendments to this agreement or to any attachment there to be valid only if made in writing and signed by duly authorized representatives of both the parties.

Dispute resolution:

In the event of any disputes, differences or controversies arises between the parties, hereto, out of, or in relation to or in connection with provisions of this MOU or any action taken hereunder, the parties hereto shall thoroughly explore all possibilities for an amicable settlement. In case the amicable settlement cannot be reached, disputes, differences or controversies shall be referred to sole arbitrator appointment with the mutual consent of both the parties in accordance with the provisions of the arbitration and conciliation Act-1996, and the venue of such arbitration shall be Vijayawada and the proceedings shall be conducted in English. the award of the arbitrator/arbitrary tribunal shall be final and binding on both the parties hereto.

Jurisdiction:

This agreement shall be governed and construed by and in accordance with the laws of India and subject to the exclusive jurisdiction of the courts of Vijayawada and Khammam.

Objectives of MoU:

- A. To promote & enhance academic interest between NSAKCET and PSCMRCET.
- B. To provide advice for implementation of quality of education between NSAKCET and PSCMRCET.
- C. To promote research/continuing education activities between parties.

Technical areas of collaboration:

- A. A continuing quality improvement programme to improve quality of teaching staff in both parties.
- B. Providing academic interaction by delivering special lectures at both institutes on topics of relevance to modern industry.
- C. Provide necessary helps in organizing workshops, conferences and personality development programmes at both parties for enhancement of skills in respect of faculty, staff and students.
- D. Provides necessary support for establishment of video satellite link and assistance in development of E-classrooms, Lab, Curriculum, Establishment of research labs, training and placement, library etc. at both parties.
- E. To provide training programmes for Students & Staff.

Proposed modes of collaboration:

NSAKCET & PSCMRCET proposed to collaborate through the following:

- A. Cooperation and promotion of education and training in areas of mutual interest.
- B. Any other appropriate mode of interest agreed upon between NSAKCET & PSCMRCET

A specific plan will be worked out by the parties depending upon availability of resources. A specific agreement will be entered in to for each activity.

Terms & conditions:

- A. The cost of development of infrastructure at both parties should be borne by themselves.

- 7
- B. For continuing education to teachers and students the financial arrangements will be made mutually agreed terms.
 - C. For the visits related to advice & consultancy, travel and other expenses of faculty & staff shall be reimbursed by both the parties on mutually agreed terms.
 - D. The faculty and students of both parties can use library facilities for a short time.
 - E. Both parties agreed to help identify and invite the faculty members & researchers from the other institutes to participate in conferences, workshops and short-term courses.
 - F. This MoU may be amended, removed and terminated by mutual written agreement of the parties at any time.
 - G. Either party should have the right to terminate this MoU upon 60days prior written notice to the other Party.

Confidentiality:

- A. The NSAKCET and the PSCMRCET agreed to hold in confidence all information/data designated by the parties as being confidential which is obtained from either party or created during the performance of MOU and will not disclose the same to any third party without written consent of the other party.
- B. The above confidential clause under this MOU excludes the information/data processed by either party before entering into this MOU or independently developed and/or information already available through public domain.

Duration of MOU:

This MOU unless extended by mutual written consent of the parties, shall expires in Three years after the effective date specified in the opening paragraph. However, in review the MOU

shall be extended for another two years by mutual consent.

Force majeure:

Neither party shall be liable for any failure or delay in its performance due to circumstances beyond its reasonable control, provided that it notifies the other party as soon as practicable and uses its best efforts to resume performance.

Indemnity:

Each party shall indemnify and keep indemnified, defend and hold harmless the other party and their respective officers, directors, employees (collectively the "indemnified persons") from and against any and all direct losses, claims, costs, liabilities, judgments, expenses or damages that the indemnified person may incur or suffer as a result of or arising out of breach of any representation made by it under this agreement.

This memorandum of understanding (MoU) is executed on 15th July 2020.

By and Between

POTTI SRIRAMULU CHALAVADI MALLIKARJUNARAO COLLEGE OF ENGINEERING & TECHNOLOGY Having Its Registered Office At 7-3-6/1 Raghvareddy Street Kothapeta, Vijayawada Andhra Pradesh 520001, represented by its principal **Dr.K.SRI RAMAKRISHNA**(Hereinafter refer to as "PSCMRCET", which expression shall, unless repugnant to the context or meaning thereof, mean & include its successors & assigns) being the party of first part

And

AMRITA SAI INSTITUTE OF SCIENCE & TECHNOLOGY, Amrita Sai Nagar, GaniAtkuru, Paritala, Andhra Pradesh 521180. represented by its Principal **Dr.M.SASIDHAR**(Hereinafter refer to as "ASIST", which expression shall, unless repugnant to the context or meaning thereof, mean & include its successors & assigns) being the party of second part

"PSCMRCET", & "ASIST" & are Hereinafter, wherever the context so requires, individually referred to as "party" and collectively as "parties".

Whereas:

- A. PSCMRCET is engaged in service of engineering & technical education with college name referred as POTTI SRIRAMULU CHALAVADI MALLIKARJUNARAO COLLEGE OF ENGINEERING & TECHNOLOGY in the city of Vijayawada.
- B. ASIST is engaged in service of engineering & technical education with the college name referred as AMRITA SAI INSTITUTE OF SCIENCE & TECHNOLOGY, GaniAtkuru, Paritala, Andhra Pradesh 521180.

Objectives of MoU:

- A. To promote & enhance academic interest between PSCMRCET &ASIST.
- B. To provide advice for implementation of quality of education between PSCMRCET &ASIST.
- C. To promote research/continuing education activities between parties.

Technical areas of collaboration:

- A. A continuing quality improvement programme to improve quality of teaching staff in both parties.
- B. Providing academic interaction by delivering special lectures at both institutes on topics of relevance to modern industry.
- C. Provide necessary helps in organizing workshops, conferences and personality development programmes at both parties for enhancement of skills in respect of faculty, staff and students.
- D. Provides necessary support for establishment of video satellite link and assistance in development of E-classrooms, Lab, Curriculum, Establishment of research labs, training and placement, library etc. at both parties.
- E. To provide training programmes for Students & Staff.

Proposed modes of collaboration:

PSCMRCET &ASIST proposed to collaborate through the following:

- A. Cooperation and promotion of education and training in areas of mutual interest.
- B. Any other appropriate mode of interest agreed upon between PSCMRCET &ASIST

A specific plan will be worked out by the parties depending upon availability of resources. A specific agreement will be entered in to for each activity.

Terms & conditions:

- A. The cost of development of infrastructure at both parties should be borne by themselves.

- B. For continuing education to teachers and students the financial arrangements will be made mutually agreed terms.
- C. For the visits related to advice & consultancy, travel and other expenses of faculty & staff shall be reimbursed by both the parties on mutually agreed terms.
- D. The faculty and students of both parties can use library facilities for a short time.
- E. Both parties agreed to help identify and invite the faculty members & researchers from the other institutes to participate in conferences, workshops and short-term courses.
- F. This MoU may be amended, removed and terminated by mutual written agreement of the parties at any time.
- G. Either party should have the right to terminate this MoU upon 60days prior written notice to the other Party.

Confidentiality:

- A. The ASISTand the PSCMRCET agreed to hold in confidence all information/data designated by the parties as being confidential which is obtained from either party or created during the performance of MOU and will not disclose the same to any third party without written consent of the other party.
- B. The above confidential clause under this MOU excludes the information/data processed by either party before entering into this MOU or independently developed and/or information already available through public domain.

Duration of MOU:

This MOU unless extended by mutual written consent of the parties, shall expires in one year after the effective date specified in the opening paragraph. However, in review the MOU shall be extended by mutual consent.

Force majeure:

Neither party shall be liable for any failure or delay in its performance due to circumstances beyond its reasonable control, provided that it notifies the other party as soon as practicable and uses its best efforts to resume performance.

(Affiliated to JNTUK-Kakinada, Approved by AICTE)

An ISO 9001-2015 Certified Institution

KOTHAPETA, VIJAYAWADA-520001

VISAKHA INSTITUTE OF ENGINEERING & TECHNOLOGY, 88th division, Narava, Visakhapatnam, represented by its Principal Dr. V. SRIDHAR PATNAIK, Hereinafter referred as "VIET" being the first party

And

POTTI SRIRAMULU CHALAVADI MALLIKARJUNA RAO COLLEGE OF ENGINEERING & TECHNOLOGY, 7-3-6/1, raghavareddy street Kothapeta Vijayawada, Andhra Pradesh Pin: 520001, represented by its Principal Dr. K. SRI RAMAKRISHNA, here in after called as PSCMR CET referred as "2nd party" and collectively as "parties".

Whereas:

Party-1: VIET, Visakhapatnam was established in 2009 with a vision to make an indelible mark in the field of Engineering Education & Research.

Highlights of the College:

- Established in 2009
- Offers UG and PG programs

Accreditations:

- VIET, Visakhapatnam is providing quality education since 13 years one of the reputed institutes in Visakhapatnam District, AP affiliated to JNTU, Kakinada.
- College is Accredited by NAAC and permanently affiliated to JNTUK, Kakinada

Mission:

To Impart Value based Scientific Knowledge through Quality Technical Education. The promoter "VISAKHA EDUCATIONAL SOCIETY" has a vast experience of nearly two decades in running different educational institutions.

Party-2: POTTI SRIRAMULU CHALAVADI MALLIKARJUNA RAO COLLEGE OF ENGINEERING & TECHNOLOGY (PSCMR CET) located in Vijayawada in the heart of Andhra Pradesh Capital Region Suburbs, is one of the pioneering professional institute affiliated to JNTU Kakinada. Since its inception in 2008, PSCMR CET has been dedicated to impart quality education to professional students and to prepare students for innovations and leadership in a global competitive village.

PSCMR College of Engineering & Technology during the same year. This is, by and large, the first such institute in the city limits of Vijayawada. The college, affiliated to JNTU Kakinada, made a humble beginning with an intake of 240 students, 60 each in the branches of ECE, CSE,

EEE and IT.MBA course was added in the following year, making a steady progress. In 2013, Civil and Mechanical Engineering branches were added to the existing branches.

In only its fourth year of functioning, the college with huge success rate of students was able to provide quality placements for the qualified graduates. Students are encouraged with paid internships from 2nd year onwards. Incubation centers like Euth Techtronic's, HBOTS, E-Yantra, Future NDT, TCS Language Lab, IIT Bombay Remote Centre for learning etc, are also available in the college which provide industrial exposure to students.

PSCMR boasts of its Training & Placement Cell for giving 100% placement guidance to students which helps them build a long time career in leading organizations. CRT is provided to student's right from the first year in the areas of English Communication Skills, Aptitude and Reasoning by specially recruited domain experts. With the able guidance given by all the departments, students are placed in reputed MNCs like Oracle, TCS, Infosys, Cyient, Deloitte, HCL, Accenture, Cognizant, Wipro and Glenwood Systems.

The college aims at empowering students with social and career oriented education that can benefit themselves and the society, as well.

Objectives of MoU:

1. To promote & enhance academic interest between VIET and PSCMRCET.
2. To provide advice for implementation of quality of education between VIET and PSCMRCET.
3. To promote research/continuing education activities between parties.
4. Access to Information on research / education resources and academic know how
5. Access to Centers of Excellence of the college
6. Technical support in projects related to science and management from senior faculty or experts
7. Guidance for specific issues in terms of R&D, Project design and development etc. from the senior faculty or experts
8. On boarding potential faculty who would be the mentors to support boot camps, Technology Readiness Level (TRL) activities for prototyping, guide startups on pro bono basis
9. To refer or depute faculty or Resource persons for specific programs as speakers.

Technical areas of collaboration:

- A. A continuing quality improvement programme to improve quality of teaching staff in both parties.
- B. Providing academic interaction by delivering special lectures at both institutes on topics of relevance to modern industry.
- C. Provide necessary helps in organizing workshops, conferences and personality development programmes at both parties for enhancement of skills in respect of faculty, staff and students.
- D. Provides necessary support for establishment of video satellite link and assistance in development of E-classrooms, Lab, Curriculum, Establishment of research labs, training and placement, library etc. at both parties.
- E. To provide training programmes for Students & Staff.

Terms & conditions:

- 1. The cost of development of infrastructure at both parties should be borne by themselves.
 - 2. For continuing education to teachers and students the financial arrangements will be made mutually agreed terms.
 - 3. For the visits related to advice & consultancy, travel and other expenses of faculty & staff shall be reimbursed by both the parties on mutually agreed terms.
 - 4. The faculty and students of both parties can use library facilities for a short time.
 - 5. Both parties agreed to help identify and invite the faculty members & researchers from the other institutes to participate in conferences, workshops and short-term courses.
 - 6. This MoU may be amended, removed and terminated by mutual written agreement of the parties at any time.
 - 7. Either party should have the right to terminate this MoU upon 60days prior written notice to the other Party.
- A. **Confidentiality:** The VIET and the YOUR college PSCMRCET agreed to hold in confidence all information/data designated by the parties as being confidential which is obtained from either party or created during the performance of MOU and will not disclose the same to any third party without written consent of the other party.

The above confidential clause under this MOU excludes the information/data processed by either party before entering into this MOU or independently developed and/or information already available through public domain.

Coordination

Each institution shall appoint one member of its teaching/research faculty to coordinate the programme on its behalf. Further, a coordination committee will periodically review and identify ways to strengthen cooperation between the two institutions.

B. Tenure and Termination

This MOU will take effect from the date it is signed by representatives of the two institutions. It will remain valid for one year, and may be continued thereafter after suitable review and agreement. Either institution may terminate the MOU by giving written notice to the other institution six months in advance. However, VIET and PSCMRCET will ensure that all activities in progress are allowed to complete successfully.

C. Arbitration Clause

Should there be a dispute relating to any aspect of academic cooperation, VIET and PSCMRCET will jointly resolve the dispute in a spirit of independence, mutual respect, and shared responsibility.

This MOU is signed subject to approval of the respective academic/administrative bodies.

Technical areas of collaboration:

- A. A continuing quality improvement programme to improve quality of teaching staff in both parties.
- B. Providing academic interaction by delivering special lectures at both institutes on topics of relevance to modern industry.
- C. Provide necessary helps in organizing workshops, conferences and personality development programmes at both parties for enhancement of skills in respect of faculty, staff and students.
- D. Provides necessary support for establishment of video satellite link and assistance in development of E-classrooms, Lab, Curriculum, Establishment of research labs, training and placement, library etc. at both parties.
- E. To provide training programmes for Students & Staff.

Proposed modes of collaboration:

MVRS & PSCMRCET proposed to collaborate through the following:

- A. Cooperation and promotion of education and training in areas of mutual interest.
- B. Any other appropriate mode of interest agreed upon between MVRS & PSCMRCET

A specific plan will be worked out by the parties depending upon availability of resources. A specific agreement will be entered in to for each activity.

Force majeure:

Neither party shall be liable for any failure or delay in its performance due to circumstances beyond its reasonable control, provided that it notifies the other party as soon as practicable and uses its best efforts to resume performance.

Indemnity:

Each party shall indemnify and keep indemnified, defend and hold harmless the other party and their respective officers, directors, employees (collectively the "indemnified persons") from and against any and all direct losses, claims, costs, liabilities, judgments, expenses or damages that the indemnified person may incur or suffer as a result of or arising out of breach of any representation made by it under this agreement.

Severability:

If any part or any provision of this MOU becomes illegal, invalid or unenforceable, that part or provision shall be ineffective to the extent of invalidity or unenforceability without in any way affecting the validity or enforceability of the remaining parts of said provision of this MOU. The parties hereby agree to attempt to substitute any invalid or unenforceable provision with a valid or enforceable provision, which achieves to the greatest extent possible the economic, legal and commercial objectives of the invalid or unenforceable provision.

Assignment:

The parties to the agreement shall not assign or support to assign or otherwise deal with any of its rights and obligations hereunder without the prior written consent of the other party.

Waiver:

Failure of party to exercise promptly any option or right granted, or to require strict performance of any obligation herein imposed shall not be deemed to be a waiver of such rights or of the right to demand subsequent performance of any and all obligations herein imposed.

Terms & conditions:

- A. The cost of development of infrastructure at both parties should be borne by themselves.
- B. For continuing education to teachers and students the financial arrangements will be made mutually agreed terms.
- C. For the visits related to advice & consultancy, travel and other expenses of faculty & staff shall be reimbursed by both the parties on mutually agreed terms.
- D. The faculty and students of both parties can use library facilities for a short time.
- E. Both parties agreed to help identify and invite the faculty members & researchers from the other institutes to participate in conferences, workshops and short-term courses.
- F. This MoU may be amended, removed and terminated by mutual written agreement of the parties at any time.
- G. Either party should have the right to terminate this MoU upon 60days prior written notice to the other Party.

Confidentiality:

- A. The MVRS and the PSCMRCET agreed to hold in confidence all information/data designated by the parties as being confidential which is obtained from either party or created during the performance of MOU and will not disclose the same to any third party without written consent of the other party.
- B. The above confidential clause under this MOU excludes the information/data processed by either party before entering into this MOU or independently developed and/or information already available through public domain.

Duration of MOU:

This MOU unless extended by mutual written consent of the parties, shall expires in Three years after the effective date specified in the opening paragraph. However, in review the MOU shall be extended for another two years by mutual consent.

Amendments:

All changes and amendments to this agreement or to any attachment there to be valid only if made in writing and signed by duly authorized representatives of both the parties.

Dispute resolution:

In the event of any disputes, differences or controversies arises between the parties, hereto, out of, or in relation to or in connection with provisions of this MOU or any action taken hereunder, the parties hereto shall thoroughly explore all possibilities for an amicable settlement. In case the amicable settlement cannot be reached, disputes, differences or controversies shall be referred to sole arbitrator appointment with the mutual consent of both the parties in accordance with the provisions of the arbitration and conciliation Act-1996, and the venue of such arbitration shall be Vijayawada and the proceedings shall be conducted in English. the award of the arbitrator/arbitrary tribunal shall be final and binding on both the parties hereto.

Jurisdiction:

This agreement shall be governed and construed by and in accordance with the laws of India and subject to the exclusive jurisdiction of the courts of Vijayawada and Guntur.

- D. Provides necessary support for establishment of video satellite link and assistance in development of E-classrooms, Lab, Curriculum, Establishment of research labs, training and placement, library etc. at both parties.
- E. To provide training programmes for Students & Staff.

Proposed modes of collaboration:

PSCMRCET & ASIST proposed to collaborate through the following:

- A. Cooperation and promotion of education and training in areas of mutual interest.
- B. Any other appropriate mode of interest agreed upon between PSCMRCET & ASIST

A specific plan will be worked out by the parties depending upon availability of resources. A specific agreement will be entered in to for each activity.

Terms & conditions:

- A. The cost of development of infrastructure at both parties should be borne by themselves.

- B. For continuing education to teachers and students the financial arrangements will be made mutually agreed terms.
- C. For the visits related to advice & consultancy, travel and other expenses of faculty & staff shall be reimbursed by both the parties on mutually agreed terms.
- D. The faculty and students of both parties can use library facilities for a short time.
- E. Both parties agreed to help identify and invite the faculty members & researchers from the other institutes to participate in conferences, workshops and short-term courses.
- F. This MoU may be amended, removed and terminated by mutual written agreement of the parties at any time.
- G. Either party should have the right to terminate this MoU upon 60days prior written notice to the other Party.

Confidentiality:

- A. The ASISTand the PSCMRCET agreed to hold in confidence all information/data designated by the parties as being confidential which is obtained from either party or created during the performance of MOU and will not disclose the same to any third party without written consent of the other party.
- B. The above confidential clause under this MOU excludes the information/data processed by either party before entering into this MOU or independently developed and/or information already available through public domain.

Duration of MOU:

This MOU unless extended by mutual written consent of the parties, shall expires in one year after the effective date specified in the opening paragraph. However, in review the MOU shall be extended by mutual consent.

Force majeure:

Neither party shall be liable for any failure or delay in its performance due to circumstances beyond its reasonable control, provided that it notifies the other party as soon as practicable and uses its best efforts to resume performance.

Indemnity:

Each party shall indemnify and keep indemnified, defend and hold harmless the other party and their respective officers, directors, employees (collectively the "indemnified persons") from and against any and all direct losses, claims, costs, liabilities, judgments, expenses or damages that the indemnified person may incur or suffer as a result of or arising out of breach of any representation made by it under this agreement.

Severability:

If any part or any provision of this MOU becomes illegal, invalid or unenforceable, that part or provision shall be ineffective to the extent of invalidity or unenforceability without in any way affecting the validity or enforceability of the remaining parts of said provision of this MOU. The parties hereby agree to attempt to substitute any invalid or unenforceable provision with a valid or enforceable provision, which achieves to the greatest extent possible the economic, legal and commercial objectives of the invalid or unenforceable provision.

Assignment:

The parties to the agreement shall not assign or support to assign or otherwise deal with any of its rights and obligations hereunder without the prior written consent of the other party.

Waiver:

Failure of party to exercise promptly any option or right granted, or to require strict performance of any obligation herein imposed shall not be deemed to be a waiver of such rights or of the right to demand subsequent performance of any and all obligations herein imposed.

Amendments:

All changes and amendments to this agreement or to any attachment there to be valid only if made in writing and signed by duly authorized representatives of both the parties.

Dispute resolution:

In the event of any disputes, differences or controversies arises between the parties, hereto, out of, or in relation to or in connection with provisions of this MOU or any action taken hereunder, the parties hereto shall thoroughly explore all possibilities for an amicable settlement. In case the amicable settlement cannot be reached, disputes, differences or controversies shall be referred to sole arbitrator appointment with the mutual consent of both the parties in accordance with the provisions of the arbitration and conciliation Act-1996, and the venue of such arbitration shall be Vijayawada and the proceedings shall be conducted in English. the award of the arbitrator/arbitrary tribunal shall be final and binding on both the parties hereto.

Jurisdiction:

This agreement shall be governed and construed by and in accordance with the laws of India and subject to the exclusive jurisdiction of the court of Vijayawada.

VISAKHA INSTITUTE OF ENGINEERING & TECHNOLOGY, 88th division, Narava, Visakhapatnam, represented by its Principal **Dr. Y.PRASSANA KUMAR**, Here in after referred as "VIET" being the first party

And

POTTI SRIRAMULU CHALAVADI MALLIKARJUNA RAO COLLEGE OF ENGINEERING & TECHNOLOGY, 7-3-6/1, raghavareddy street Kothapeta Vijayawada, Andhra Pradesh Pin: 520001, represented by its Principal **Dr.K.NAGESWARA RAO**, here in after called as PSCMRCET referred as "second party" and collectively as "parties".

Whereas:

Party-1: VIET, Visakhapatnam was established in 2009 with a vision to make an indelible mark in the field of Engineering Education & Research.

Highlights of the College:

- Established in 2009
- Offers UG and PG programs

Accreditations:

- VIET, Visakhapatnam is providing quality education since 13 years one of the reputed institutes in Visakhapatnam District, AP affiliated to JNTU, Kakinada.
- College is Accredited by NAAC and permanently affiliated to JNTUK, Kakinada

Mission:

To Impart Value based Scientific Knowledge through Quality Technical Education. The promoter "VISAKHA EDUCATIONAL SOCIETY" has a vast experience of nearly two decades in running different educational institutions.

Party-2: **POTTI SRIRAMULU CHALAVADI MALLIKARJUNA RAO COLLEGE OF ENGINEERING & TECHNOLOGY (PSCMRCET)** located in Vijayawada in the heart of Andhra Pradesh Capital Region Suburbs, is one of the pioneering professional institute affiliated to JNTU Kakinada. Since its inception in 2008, PSCMRCET has been dedicated to impart quality education to professional students and to prepare students for innovations and leadership in a global competitive village.

PSCMR College of Engineering & Technology during the same year. This is, by and large, the first such institute in the city limits of Vijayawada. The college, affiliated to JNTU Kakinada, made a humble beginning with an intake of 240 students, 60 each in the branches of ECE, CSE,

EEE and IT.MBA course was added in the following year, making a steady progress. In 2013, Civil and Mechanical Engineering branches were added to the existing branches.

In only its fourth year of functioning, the college with huge success rate of students was able to provide quality placements for the qualified graduates. Students are encouraged with paid internships from 2nd year onwards. Incubation centers like Eurth Techtronic's, HBOTS, E-Yantra, Future NDT, TCS Language Lab, IIT Bombay Remote Centre for learning etc, are also available in the college which provide industrial exposure to students.

PSCMR boasts of its Training & Placement Cell for giving 100% placement guidance to students which helps them build a longtime career in leading organizations. CRT is provided to student's right from the first year in the areas of English Communication Skills, Aptitude and Reasoning by specially recruited domain experts. With the able guidance given by all the departments, students are placed in reputed MNCs like Oracle, TCS, Infosys, Cyient, Deloitte, HCL, Accenture, Cognizant, Wipro and Glenwood Systems.

The college aims at empowering students with social and careeroriented education that can benefit themselves and the society, as well.

Objectives of MoU:

1. To promote & enhance academic interest between VIET and PSCMRCET.
2. To provide advice for implementation of quality of education between VIET and PSCMRCET.
3. To promote research/continuing education activities between parties.
4. Access to Information on research / education resources and academic know how
5. Access to Centers of Excellence of the college
6. Technical support in projects related to science and management from senior faculty or experts
7. Guidance for specific issues in terms of R&D, Project design and development etc. from the senior faculty or experts
8. On boarding potential faculty who would be the mentors to support boot camps, Technology Readiness Level (TRL) activities for prototyping, guide startups on pro bono basis
9. To refer or depute faculty or Resource persons for specific programs as speakers.

Technical areas of collaboration:

- A. A continuing quality improvement programme to improve quality of teaching staff in both parties.
- B. Providing academic interaction by delivering special lectures at both institutes on topics of relevance to modern industry.
- C. Provide necessary helps in organizing workshops, conferences and personality development programmes at both parties for enhancement of skills in respect of faculty, staff and students.
- D. Provides necessary support for establishment of video satellite link and assistance in development of E-classrooms, Lab, Curriculum, Establishment of research labs, training and placement, library etc. at both parties.
- E. To provide training programmes for Students & Staff.

Terms & conditions:

- 1. The cost of development of infrastructure at both parties should be borne by themselves.
 - 2. For continuing education to teachers and students the financial arrangements will be made mutually agreed terms.
 - 3. For the visits related to advice & consultancy, travel and other expenses of faculty & staff shall be reimbursed by both the parties on mutually agreed terms.
 - 4. The faculty and students of both parties can use library facilities for a short time.
 - 5. Both parties agreed to help identify and invite the faculty members & researchers from the other institutes to participate in conferences, workshops and short-term courses.
 - 6. This MoU may be amended, removed and terminated by mutual written agreement of the parties at any time.
 - 7. Either party should have the right to terminate this MoU upon 60days prior written notice to the other Party.
- A. **Confidentiality:** The VIET and the YOUR college PSCMRCET agreed to hold in confidence all information/data designated by the parties as being confidential which is obtained from either party or created during the performance of MOU and will not disclose the same to any third party without written consent of the other party.

The above confidential clause under this MOU excludes the information/data processed by either party before entering into this MOU or independently developed and/or information already available through public domain.

B. Coordination

Each institution shall appoint one member of its teaching/research faculty to coordinate the programme on its behalf. Further, a coordination committee will periodically review and identify ways to strengthen cooperation between the two institutions.

C. Tenure and Termination

This MOU will take effect from the date it is signed by representatives of the two institutions. It will remain valid for one year, and may be continued thereafter after suitable review and agreement. Either institution may terminate the MOU by giving written notice to the other institution six months in advance. However, VIET and PSCMRCET will ensure that all activities in progress are allowed to complete successfully.

D. Arbitration Clause

Should there be a dispute relating to any aspect of academic cooperation, VIET and PSCMRCET will jointly resolve the dispute in a spirit of independence, mutual respect, and shared responsibility.

This MOU is signed subject to approval of the respective academic/administrative bodies.

Ph. No. +91 2334 4175, 2334 8242, 2334 3170.

E-mail: audegreecollege@gmail.com Website: www.anwarululoom.in

Objectives of MoU:

- A. To promote & enhance academic interest between AUC and PSCMRCET.
- B. To provide advice for implementation of quality of education between AUC and PSCMRCET.
- C. To promote research/continuing education activities between parties.

Technical areas of collaboration:

- A. A continuing quality improvement programme to improve quality of teaching staff in both parties.
- B. Providing academic interaction by delivering special lectures at both institutes on topics of relevance to modern industry.
- C. Provide necessary helps in organizing workshops, conferences and personality development programmes at both parties for enhancement of skills in respect of faculty, staff and students.
- D. Provides necessary support for establishment of video satellite link and assistance in development of E-classrooms, Lab, Curriculum, Establishment of research labs, training and placement, library etc. at both parties.
- E. To provide training programmes for Students & Staff.

Proposed modes of collaboration:

AUC & PSCMRCET proposed to collaborate through the following:

- A. Cooperation and promotion of education and training in areas of mutual interest.
- B. Any other appropriate mode of interest agreed upon between AUC & PSCMRCET

A specific plan will be worked out by the parties depending upon availability of resources. A specific agreement will be entered in to for each activity.

Terms & conditions:

- A. The cost of development of infrastructure at both parties should be borne by themselves.
- B. For continuing education to teachers and students the financial arrangements will be made mutually agreed terms.
- C. For the visits related to advice & consultancy, travel and other expenses of faculty & staff shall be reimbursed by both the parties on mutually agreed terms.
- D. The faculty and students of both parties can use library facilities for a short time.
- E. Both parties agreed to help identify and invite the faculty members & researchers from the other institutes to participate in conferences, workshops and short-term courses.
- F. This MoU may be amended, removed and terminated by mutual written agreement of the parties at any time.
- G. Either party should have the right to terminate this MoU upon 60days prior writtennotice to the other Party.

Confidentiality:

- A. The AUCand the PSCMRCET agreed to hold in confidence all information/data designated by the parties as being confidential which is obtained from either party or created during the performance of MOU and will not disclose the same to any third party without written consent of the other party.
- B. The above confidential clause under this MOU excludes the information/data processed by either party before entering into this MOU or independently developed and/or information already available through public domain.

Duration of MOU:

This MOU unless extended by mutual written consent of the parties, shall expires in one year after the effective date specified in the opening paragraph. However, in review the MOU shall be extended for another two years by mutual consent.

Force majeure:

Neither party shall be liable for any failure or delay in its performance due to circumstances beyond its reasonable control, provided that it notifies the other party as soon as practicable and uses its best efforts to resume performance.

Indemnity:

Each party shall indemnify and keep indemnified, defend and hold harmless the other party and their respective officers, directors, employees (collectively the "indemnified persons") from and against any and all direct losses, claims, costs, liabilities, judgments, expenses or damages that the indemnified person may incur or suffer as a result of or arising out of breach of any representation made by it under this agreement.

Severability:

If any part or any provision of this MOU becomes illegal, invalid or unenforceable, that part or provision shall be ineffective to the extent of invalidity or unenforceability without in any way affecting the validity or enforceability of the remaining parts of said provision of this MOU. The parties hereby agree to attempt to substitute any invalid or unenforceable provision with a valid or enforceable provision, which achieves to the greatest extent possible the economic, legal and commercial objectives of the invalid or unenforceable provision.

Assignment:

The parties to the agreement shall not assign or support to assign or otherwise deal with any of its rights and obligations hereunder without the prior written consent of the other party.

Waiver:

Failure of party to exercise promptly any option or right granted, or to require strict performance of any obligation herein imposed shall not be deemed to be a waiver of such rights or of the right to demand subsequent performance of any and all obligations herein imposed.

Amendments:

All changes and amendments to this agreement or to any attachment there to be valid only if made in writing and signed by duly authorized representatives of both the parties.

Dispute resolution:

In the event of any disputes, differences or controversies arises between the parties, hereto, out of, or in relation to or in connection with provisions of this MOU or any action taken hereunder, the parties hereto shall thoroughly explore all possibilities for an amicable settlement. In case the amicable settlement cannot be reached, disputes, differences or controversies shall be referred to sole arbitrator appointment with the mutual consent of both the parties in accordance with the provisions of the arbitration and conciliation Act-1996, and the venue of such arbitration shall be Vijayawada and the proceedings shall be conducted in English. the award of the arbitrator/arbitrary tribunal shall be final and binding on both the parties hereto.

Jurisdiction:

This agreement shall be governed and construed by and in accordance with the laws of India and subject to the exclusive jurisdiction of the courts of Vijayawada and Hyderabad.

Mission:

To Impart Value based Scientific Knowledge through Quality Technical Education. The promoter "VISAKHA EDUCATIONAL SOCIETY" has a vast experience of nearly two decades in running different educational institutions.

Party-2: POTTI SRIRAMULU CHALAVADI MALLIKARJUNA RAO COLLEGE OF ENGINEERING & TECHNOLOGY (PSCMRCET) located in Vijayawada in the heart of Andhra Pradesh Capital Region Suburbs, is one of the pioneering professional institute affiliated to JNTU Kakinada. Since its inception in 2008, PSCMRCET has been dedicated to impart quality education to professional students and to prepare students for innovations and leadership in a global competitive village.

PSCMR College of Engineering & Technology during the same year. This is, by and large, the first such institute in the city limits of Vijayawada. The college, affiliated to JNTU Kakinada, made a humble beginning with an intake of 240 students, 60 each in the branches of ECE, CSE,

EEE and IT.MBA course was added in the following year, making a steady progress. In 2013, Civil and Mechanical Engineering branches were added to the existing branches.

In only its fourth year of functioning, the college with huge success rate of students was able to provide quality placements for the qualified graduates. Students are encouraged with paid internships from 2nd year onwards. Incubation centers like Earth Techtronic's, HBOTS, E-Yantra, Future NDT, TCS Language Lab, IIT Bombay Remote Centre for learning etc, are also available in the college which provide industrial exposure to students.

PSCMR boasts of its Training & Placement Cell for giving 100% placement guidance to students which helps them build a long time career in leading organizations. CRT is provided to student's right from the first year in the areas of English Communication Skills, Aptitude and Reasoning by specially recruited domain experts. With the able guidance given by all the departments, students are placed in reputed MNCs like Oracle, TCS, Infosys, Cyient, Deloitte, HCL, Accenture, Cognizant, Wipro and Glenwood Systems.

The college aims at empowering students with social and career oriented education that can benefit themselves and the society, as well.

Objectives of MoU:

1. To promote & enhance academic interest between VIET and PSCMRCET.
2. To provide advice for implementation of quality of education between VIET and PSCMRCET.
3. To promote research/continuing education activities between parties.
4. Access to Information on research / education resources and academic know how
5. Access to Centers of Excellence of the college
6. Technical support in projects related to science and management from senior faculty or experts
7. Guidance for specific issues in terms of R&D, Project design and development etc. from the senior faculty or experts
8. On boarding potential faculty who would be the mentors to support boot camps, Technology Readiness Level (TRL) activities for prototyping, guide startups on pro bono basis
9. To refer or depute faculty or Resource persons for specific programs as speakers.

Technical areas of collaboration:

- A. A continuing quality improvement programme to improve quality of teaching staff in both parties.
- B. Providing academic interaction by delivering special lectures at both institutes on topics of relevance to modern industry.
- C. Provide necessary helps in organizing workshops, conferences and personality development programmes at both parties for enhancement of skills in respect of faculty, staff and students.
- D. Provides necessary support for establishment of video satellite link and assistance in development of E-classrooms, Lab, Curriculum, Establishment of research labs, training and placement, library etc. at both parties.
- E. To provide training programmes for Students & Staff.

Terms & conditions:

- 1. The cost of development of infrastructure at both parties should be borne by themselves.
 - 2. For continuing education to teachers and students the financial arrangements will be made mutually agreed terms.
 - 3. For the visits related to advice & consultancy, travel and other expenses of faculty & staff shall be reimbursed by both the parties on mutually agreed terms.
 - 4. The faculty and students of both parties can use library facilities for a short time.
 - 5. Both parties agreed to help identify and invite the faculty members & researchers from the other institutes to participate in conferences, workshops and short-term courses.
 - 6. This MoU may be amended, removed and terminated by mutual written agreement of the parties at any time.
 - 7. Either party should have the right to terminate this MoU upon 60days prior written notice to the other Party.
- A. **Confidentiality:** The VIET and the YOUR college PSCMRCET agreed to hold in confidence all information/data designated by the parties as being confidential which is obtained from either party or created during the performance of MOU and will not disclose the same to any third party without written consent of the other party.

The above confidential clause under this MOU excludes the information/data processed by either party before entering into this MOU or independently developed and/or information already available through public domain.

B. Coordination

Each institution shall appoint one member of its teaching/research faculty to coordinate the programme on its behalf. Further, a coordination committee will periodically review and identify ways to strengthen cooperation between the two institutions.

C. Tenure and Termination

This MOU will take effect from the date it is signed by representatives of the two institutions. It will remain valid for one year, and may be continued thereafter after suitable review and agreement. Either institution may terminate the MOU by giving written notice to the other institution six months in advance. However, VIET and PSCMRCET will ensure that all activities in progress are allowed to complete successfully.

D. Arbitration Clause

Should there be a dispute relating to any aspect of academic cooperation, VIET and PSCMRCET will jointly resolve the dispute in a spirit of independence, mutual respect, and shared responsibility.

This MOU is signed subject to approval of the respective academic/administrative bodies.

RAMA KRISHNAIAH** (Hereinafter refer to as "RKCE", which expression shall, unless repugnant to the context or meaning thereof, mean & include its successors & assigns) being the party of second part

"PSCMRCET", & "RKCE" & are Hereinafter, wherever the context so requires, individually referred to as "party" and collectively as "parties".

Whereas:

- A. PSCMRCET is engaged in service of engineering & technical education with college name referred as POTTI SRIRAMULU CHALAVADI MALLIKARJUNARAO COLLEGE OF ENGINEERING & TECHNOLOGY in the city of Vijayawada.
- B. RKCE is engaged in service of engineering & technical education with the college name referred as RK COLLEGE OF ENGINEERING, Kethanakonda (V), Ibrahimpatnam (M), Vijayawada, AMARAVATI - 521456.

Objectives of MoU:

- A. To promote & enhance academic interest between PSCMRCET &RKCE.
- B. To provide advice for implementation of quality of education between PSCMRCET &RKCE.
- C. To promote research/continuing education activities between parties.

Technical areas of collaboration:

- A. A continuing quality improvement programme to improve quality of teaching staff in both parties.
- B. Providing academic interaction by delivering special lectures at both institutes on topics of relevance to modern industry.
- C. Provide necessary helps in organizing workshops, conferences and personality development programmes at both parties for enhancement of skills in respect of faculty, staff and students.
- D. Provides necessary support for establishment of video satellite link and assistance in development of E-classrooms, Lab, Curriculum, Establishment of research labs, training and placement, library etc. at both parties.
- E. To provide training programmes for Students & Staff.

Proposed modes of collaboration:

PSCMRCET &RKCE proposed to collaborate through the following:

- A. Cooperation and promotion of education and training in areas of mutual interest.
- B. Any other appropriate mode of interest agreed upon between PSCMRCET &RKCE

A specific plan will be worked out by the parties depending upon availability of resources. A specific agreement will be entered in to for each activity.

Terms & conditions:

- A. The cost of development of infrastructure at both parties should be borne by themselves.

- B. For continuing education to teachers and students the financial arrangements will be made mutually agreed terms.
- C. For the visits related to advice & consultancy, travel and other expenses of faculty & staff shall be reimbursed by both the parties on mutually agreed terms.
- D. The faculty and students of both parties can use library facilities for a short time.
- E. Both parties agreed to help identify and invite the faculty members & researchers from the other institutes to participate in conferences, workshops and short-term courses.
- F. This MoU may be amended, removed and terminated by mutual written agreement of the parties at any time.
- G. Either party should have the right to terminate this MoU upon 60days prior written notice to the other Party.

Confidentiality:

- A. The RKCEand the PSCMRCET agreed to hold in confidence all information/data designated by the parties as being confidential which is obtained from either party or created during the performance of MOU and will not disclose the same to any third party without written consent of the other party.
- B. The above confidential clause under this MOU excludes the information/data processed by either party before entering into this MOU or independently developed and/or information already available through public domain.

Duration of MOU:

This MOU unless extended by mutual written consent of the parties, shall expires in one year after the effective date specified in the opening paragraph. However, in review the MOU shall be extended by mutual consent.

Force majeure:

Neither party shall be liable for any failure or delay in its performance due to circumstances beyond its reasonable control, provided that it notifies the other party as soon as practicable and uses its best efforts to resume performance.

Indemnity:

Each party shall indemnify and keep indemnified, defend and hold harmless the other party and their respective officers, directors, employees (collectively the "indemnified persons") from and against any and all direct losses, claims, costs, liabilities, judgments, expenses or damages that the indemnified person may incur or suffer as a result of or arising out of breach of any representation made by it under this agreement.

Severability:

If any part or any provision of this MOU becomes illegal, invalid or unenforceable, that part or provision shall be ineffective to the extent of invalidity or unenforceability without in any way affecting the validity or enforceability of the remaining parts of said provision of this MOU. The parties hereby agree to attempt to substitute any invalid or unenforceable provision with a valid or enforceable provision, which achieves to the greatest extent possible the economic, legal and commercial objectives of the invalid or unenforceable provision.

Assignment:

The parties to the agreement shall not assign or support to assign or otherwise deal with any of its rights and obligations hereunder without the prior written consent of the other party.

Waiver:

Failure of party to exercise promptly any option or right granted, or to require strict performance of any obligation herein imposed shall not be deemed to be a waiver of such rights or of the right to demand subsequent performance of any and all obligations herein imposed.

Amendments:

All changes and amendments to this agreement or to any attachment there to be valid only if made in writing and signed by duly authorized representatives of both the parties.

Dispute resolution:

In the event of any disputes, differences or controversies arises between the parties, hereto, out of, or in relation to or in connection with provisions of this MOU or any action taken hereunder, the parties hereto shall thoroughly explore all possibilities for an amicable settlement. In case the amicable settlement cannot be reached, disputes, differences or controversies shall be referred to sole arbitrator appointment with the mutual consent of both the parties in accordance with the provisions of the arbitration and conciliation Act-1996, and the venue of such arbitration shall be Vijayawada and the proceedings shall be conducted in English. the award of the arbitrator/arbitrary tribunal shall be final and binding on both the parties hereto.

Jurisdiction:

This agreement shall be governed and construed by and in accordance with the laws of India and subject to the exclusive jurisdiction of the court of Vijayawada.
