CIRCULAR

Dt.20-01-2021.

With the objective of making PSCMR CET a Go-Green Campus, the following rules and regulations for Vehicle Parking are to be followed stringently from today:

1. Only the vehicles of staff and students are allowed into the campus. Other vehicles are not permitted.
2. Security has the right to check the vehicles entering the campus.
3. Staff or students coming on two wheelers are not allowed into the campus without a helmet.
4. Staff or students are not allowed without wearing the seat belt while driving a four-wheeler.
5. The speed limit of any vehicle inside the campus should not cross 10 kmph.
6. Staff or students should not create sound pollution by raising vehicle sound/horn inside the campus at any point of time.
7. Staff or students should park their vehicles in the prescribed parking zones only.
8. Random checking of vehicle papers and driving license is done by the college authorities.

Any deviation from the above rules is viewed seriously.

Letter of Appreciation for Green Initiatives

To,
The Principal,
PSCMR College of Engineering & Technology,
Vijayawada-520001

Dear Sir,

We, Green Done Consultants LLP, would like to appreciate the PSCMR College of Engineering & Technology for initiating the 'Plastic Ban' program successfully in your institute.

In a way you are helping to minimize the creation of waste, much of which ends up in the world's oceans, harming marine life, and to reduce the air pollution caused by burning single-use plastics.

Your efforts to "protect environment and to keep our country clean" are highly appreciated. We are confident that the institute will continue its efforts towards Greener & Sustainable Future.

जयशंकर राव,

Mr. Alkesh Rajdev
Director - Green Done Consultants LLP

2. Use of bicycles/battery powered vehicles:

PSCMR CET encourages the faculty members and students to use the public transport for safety, security and fuel conservation every first Saturday in every month to minimize the carbon dioxide emissions. The institute is located in the heart of one town locality of Vijayawada city. College allows all the bicycles and battery powered vehicles of college staff and students. We provide the following parking zones in the campus with specifying signage boards

- Bicycles parking zone: The faculty members and students residing close to the campus are encouraged to come by bicycles. Thus carbon dioxide emissions are minimized on the campus.
- Two-wheeler automobiles parking zone
- Car parking zone
- College buses parking zones separately with.

3. Pedestrian Friendly pathways:

PSCMR CET is well maintained and covered with surfaced bricks. The surrounding members of the Walker's Club also use the premises of the college enthusiastically in the early mornings and late in the evenings. The institute is glowing friendly from side to side bus, car, auto, rickshaw, two-wheeler automobiles and train facilities from different places in and around the Vijayawada. Our college is located in One town area, which was the heart of the city of Vijayawada. Vijayawada is one of the biggest cities in Andhra Pradesh, India.

- Inside the campus we have walkways to go to other branch departments, laboratories, central library, examination cell, canteen, administrative office and so.
- We have lift facility in the campus.

4. Ban on use of Plastic:

PSCMR CET celebrates the World Environment Day every 5th of June and organizes the activities related to environment protection.

- A pledge was taken by the members of the college community concerning "Takeaway the use of Plastic" in the Campus to beat the plastic pollution.
- Everyone in the campus took initiatives to make the campus Plastic free zone.
- Volunteers of NSS, Rotaract took major parts in such type of activities by conducting rally and awareness activities regarding Swachha Bharat, Clean and Green, Ban of Plastic in and around the college.

5. Landscaping with trees and plants

PSCMR CET takes proud initiatives of plantation inside the campus for green campus. The spaces in between the academic blocks have beautifully landscaped lawns. PSCMR CET distributes the plants to all the staff, students every year.

We greatly promote the plantation of medicinal plants along with nursery in the campus every year.

- College takes the advantage of free plant from nursery and plantation takes place in and outside the campus every year with the support of NSS, Rotaract volunteers.
- Our college impressively traditional banana trees, cilantro, sapota, mango, guava fruits plants and beautiful flower plants other than medicinal plants.

7.1.2 GREEN CAMPUS POLICY DOCUMENT

PSCMR CET Green Campus Policy:

Green Campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind.

Objectives:

1. To restrict entry of automobiles the institute does not allow the vehicles enter in to the campus premises.
2. To maintain the eco-friendly campus, the institute encourages the faculty members and students to use the public transport for safety and security.
3. To maintain pedestrian Friendly pathways.
4. To make the campus plastic free.
5. To integrate environmental concerns into policies, plans and programmes for Green Campus Environment.

Scope of the Green Campus Practices:

The PSCMR CET Green Campus Environment Initiatives will develop exciting new co-curricular and extra-curricular practices that encourage students to take the lead in creating positive change. These initiatives call for a thorough review of all infrastructural, administrative functions from the standpoints of sustainability and the environment. The relationship between college and nature is along and enduring one, something that students and staff of the college are aware of the Green Environment Initiatives.

1. Restricted entry of automobiles
2. Use of bicycles/battery powered vehicles
3. Pedestrian Friendly pathways
4. Ban on use of Plastic
5. Landscaping with trees and plants

The Green Practices followed by both the faculty members and the students on the campus are given here under:

1. Restricted entry of automobiles:

PSCMR CET does not allow all the vehicles enter into the campus premises and can enter the vehicles of college staff and students only. We protect the environment with maintaining green campus.

- a. Any vehicle can enter in the campus after permission from security at the entrance gate.
- b. In our college campus restricted automobile can enter and most of them park in the parking zone only.
- c. Only the network of our college can enter with their vehicles.
