This agreement is made & entered into on 6<sup>th</sup> January, 2018 between Potti Sriramulu Chalavadi Mallikarjuna Rao College of Engineering & Technology, located at Vijayawada (herein after referred to as "PSCMR CET") and Studenting Era Private Limited, located at New Delhi & Noida (herein after referred to as "Studenting Era"). The agreement is being signed with Studenting Era as a partner to facilitate selected digital services (as per the agreed terms in the MOU signed between AICTE and Studenting Era (<https://www.aicte-india.org/education/collaborations>)) for registered students and academic faculty members of the Institution.

Studenting Era is an organization which provides a one stop service portal for students covering services like skill based training, personality assessments & counselling, digital library, international student cards, employability news & assistance, projects, entrepreneurship development, webinars and various student lifestyle services. The genesis of creating "Studenting Era" is to provide students with a one stop service portal. The mission of "Studenting Era" is to create an environment, which will enable students to get access to information, services and opportunities that will enable them to enhance their career goals and objectives. Studenting Era will continue to evolve with the most diverged services which are relevant & aspirational for students, thus parenting them to success. Studenting Era is based in New Delhi with a registered office FF-4 Hansraj Complex, Sector - 31, Noida - 201301. Studenting Era services can be availed from [www.studentingera.com](http://www.studentingera.com) through a college specific tie up.

**Context**

With an objective to improve the skills, competencies and employability of students, AICTE has identified Studenting Era as a partner (refer <https://www.aicte-india.org/education/collaborations>).

Studenting Era will offer free services to the registered students and academic faculty members.

As part of this agreement, both the parties here to agree to the following respectively:

AICTE approved Technical Institutions

**Subject – AICTE MoUs for Student Internships.**

Sir,

AICTE in its 49<sup>th</sup> meeting of the Council held on 14<sup>th</sup> March, 2017 approved a package of measures to be implemented by all technical institutions approved by AICTE to improve the standards of technical education and to provide competent technical manpower to the nation.

In order to improve the employability of the students by imparting required skills and making them industry ready, it has been decided by AICTE to introduce mandatory internship for students from the session 2017-18. To facilitate internships to the students, AICTE has been identifying organizations/institutes both in India & abroad and signing MoUs. As you are already informed, that AICTE signed MoU with Internshala (a platform for free internships) and NETiit. (for internship in Taiwan). Furtherance, AICTE has also signed MoU with Engineering Council of India(ECI) on 24<sup>th</sup> May, 2017.

ECI is engaged in standardizing various major engineering disciplines, professional practices in India and setting competency standards of practicing professionals. ECI, either directly or through its members may approach technical institutions and professional organizations and make necessary arrangements to facilitate Hands-on training and/ or arrange for "internships" to technical graduate for their Continuing Professional Development (CPD). ECI has agreed to offer a discounted fee structure to the learners graduating from AICTE approved Institutions.

The MoU signed between AICTE and ECI can be viewed on the AICTE website www.aicte-india.org. Other MoUs being signed will be communicated to you from time to time.

The AICTE approved technical institutions are requested to adequately publicise this information on their websites so that students can apply for internship.

We hope your institution will take maximum advantage of this partnership for the benefit of students.

Regards,

Yours faithfully,
