APPROVED BY AICTE, NEW DELHI, AFFILIATED TO JNTU KAKINADA

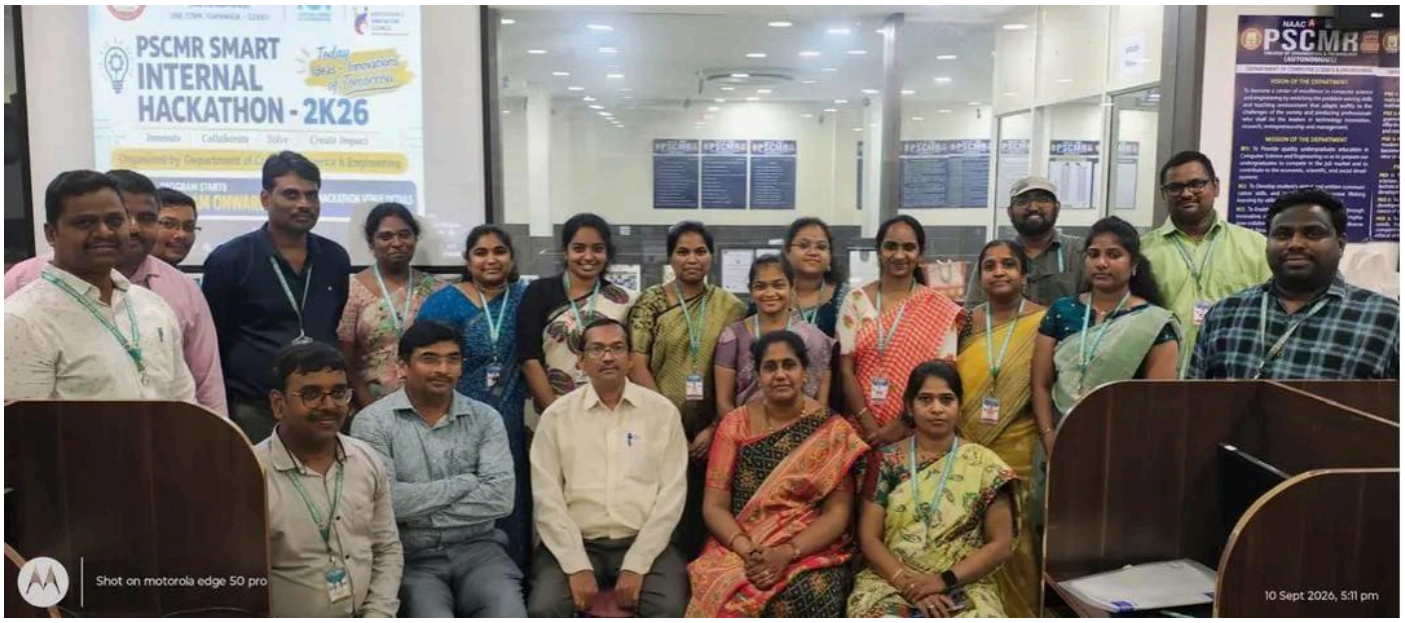

Name of the Event: "PSCMR Smart Internal Hackathon 2K26**"**
Academic Year: 2026-2027.
Date: 10-09-2026.

Objective:
The Smart India Hackathon (SIH) 2026 aims to inspire students to develop innovative and practical solutions for real-world problems faced by government organizations, industries, and society. It encourages creativity, teamwork, and critical thinking while bridging the gap between academic learning and industry needs. The hackathon also promotes entrepreneurship by motivating students to build impactful technology-driven solutions that contribute to a smarter and self-reliant India.

Outcome:

The Smart India Hackathon 2026 enhances students ability to transform innovative ideas into practical solutions for real-world challenges. It strengthens technical, communication, and leadership skills while encouraging collaboration across different disciplines. Participants gain valuable exposure to industry expectations and become better prepared for future careers and entrepreneurial opportunities
