## Single-Page Detailed Report For The DUSSEHRA Celebrations Event

The Department of Computer Science and Engineering celebrated Dasara with great devotion, enthusiasm, and festive spirit. The celebration aimed to promote Indian culture, traditions, spiritual values, and unity among students and faculty members.

The programme commenced with the Principal Sir inaugurating the celebrations by performing the traditional Pooja. The Pooja was conducted with devotion, seeking divine blessings for the well-being, prosperity, and success of the institution, faculty members, and students.

Following the commencement of the Pooja, students and faculty members actively participated in the religious rituals and offered their prayers. The participation of both faculty and students created a spiritual and festive atmosphere on the campus. The celebrations provided an opportunity for everyone to come together and share the joy of the festival while respecting Indian traditions and cultural values.

The event highlighted the significance of Dasara, which symbolizes the victory of good over evil. It also emphasized the importance of unity, devotion, discipline, and positive values in everyday life.

**Outcomes of the Event:**

1. Promoted awareness of Indian culture and traditional practices.
2. Encouraged students and faculty members to participate in religious and cultural activities.
3. Strengthened the bond between students, faculty, and institutional members.
4. Promoted unity, devotion, harmony, and respect for cultural values.
5. Created a positive and festive atmosphere on the college campus.
